**§ 544. Validity of transfer instruments**

**§ 545. Procedure for disposal**

(a) PUBLIC ADVERTISING FOR BIDS.—

(1) REQUIREMENT.—

(A) IN GENERAL.—Except as provided in subparagraph (B), the Administrator of General Services may make or authorize a disposal or a contract for disposal of surplus property only after public advertising for bids, under regulations the Administrator prescribes.

(B) EXCEPTIONS.—This subsection does not apply to disposal or a contract for disposal of surplus property—

(i) under subsection (b) or (d); or

(ii) by abandonment, destruction, or donation or through a contract broker.

(2) TIME, METHOD, AND TERMS.—The time, method, and terms and conditions of advertisement must permit full and free competition consistent with the value and nature of the property involved.

(3) PUBLIC DISCLOSURE.—Bids must be publicly disclosed at the time and place stated in the advertisement.

(4) AWARDS.—An award shall be made with reasonable promptness by notice to the responsible bidder whose bid, conforming to the invitation for bids, is most advantageous to the Federal Government, price

1 and other factors considered. However, all bids may be rejected if it  
 2 is in the public interest to do so.

3 (b) NEGOTIATED DISPOSAL.—Under regulations the Administrator pre-  
 4 scribes, disposals and contracts for disposal may be negotiated without re-  
 5 gard to subsection (a), but subject to obtaining competition that is feasible  
 6 under the circumstances, if—

7 (1) necessary in the public interest—

8 (A) during the period of a national emergency declared by the  
 9 President or Congress, with respect to a particular lot of personal  
 10 property; or

11 (B) for a period not exceeding three months, with respect to a  
 12 specifically described category of personal property as determined  
 13 by the Administrator;

14 (2) the public health, safety, or national security will be promoted  
 15 by a particular disposal of personal property;

16 (3) public exigency will not allow delay incident to advertising certain  
 17 personal property;

18 (4) the nature and quantity of personal property involved are such  
 19 that disposal under subsection (a) would impact an industry to an ex-  
 20 tent that would adversely affect the national economy, and the esti-  
 21 mated fair market value of the property and other satisfactory terms  
 22 of disposal can be obtained by negotiation;

23 (5) the estimated fair market value of the property involved does not  
 24 exceed \$15,000;

25 (6) after advertising under subsection (a), the bid prices for the  
 26 property, or part of the property, are not reasonable or have not been  
 27 independently arrived at in open competition;

28 (7) with respect to real property, the character or condition of the  
 29 property or unusual circumstances make it impractical to advertise  
 30 publicly for competitive bids and the fair market value of the property  
 31 and other satisfactory terms of disposal can be obtained by negotiation;

32 (8) the disposal will be to a State, territory, or possession of the  
 33 United States, or to a political subdivision of, or a tax-supported agen-  
 34 cy in, a State, territory, or possession, and the estimated fair market

37 (9) otherwise authorized by law.

38 (c) DISPOSAL THROUGH CONTRACT BROKERS.—Disposals and contracts  
 39 for disposal of surplus real and related personal property through contract

(d) NEGOTIATED SALE AT FIXED PRICE.—

(1) AUTHORIZATION.—The Administrator may make a negotiated sale of personal property at a fixed price, either directly or through the use of a disposal contractor, without regard to subsection (a). However, the sale must be publicized to an extent consistent with the value and nature of the property involved and the price established must reflect the estimated fair market value of the property. Sales under this subsection are limited to categories of personal property for which the Administrator determines that disposal under this subsection best serves the interests of the Government.

(2) FIRST OFFER.—Under regulations and restrictions the Administrator prescribes, an opportunity to purchase property at a fixed price under this subsection may be offered first to an entity specified in subsection (b)(8) that has expressed an interest in the property.

(e) EXPLANATORY STATEMENTS FOR NEGOTIATED DISPOSALS.—

(1) REQUIREMENT.—

(A) IN GENERAL.—Except as provided in subparagraph (B), an explanatory statement of the circumstances shall be prepared for each disposal by negotiation of—

(i) personal property that has an estimated fair market value in excess of \$15,000;

(iii) real property disposed of by lease for a term of not more than 5 years, if the estimated fair annual rent is more than \$100,000 for any year;

(iv) real property disposed of by lease for a term of more than 5 years, if the total estimated rent over the term of the lease is more than \$100,000; or

(v) real property or real and related personal property disposed of by exchange, regardless of value, or any property for which any part of the consideration is real property.

(B) EXCEPTION.—An explanatory statement is not required for a disposal of personal property under subsection (d), or for a disposal of real or personal property authorized by any other law to be made without advertising.

(2) TRANSMITTAL TO CONGRESS.—The explanatory statement shall be transmitted to the appropriate committees of Congress in advance of the disposal, and a copy of the statement shall be preserved in the files of the executive agency making the disposal.

(3) LISTING IN REPORT.—A report of the Administrator under section 126 of this title must include a listing and description of any negotiated disposals of surplus property having an estimated fair market value of more than \$15,000, in the case of real property, or \$5,000, in the case of any other property, other than disposals for which an explanatory statement has been transmitted under this subsection.

(f) APPLICABILITY OF OTHER LAW.—Section 3709 of the Revised Statutes (41 U.S.C. 5) does not apply to a disposal or contract for disposal made under this section.

3 **§ 548. Surplus vessels**

(2) ELEMENTS OF THE DETERMINATION.—A determination under this section must be in writing. For each motor vehicle pool or system, the determination must set forth an analytical justification that includes—

1 (A) a detailed comparison of estimated costs for present and  
 2 proposed modes of operation; and

**§ 605. Payment of costs**

(a) USE OF GENERAL SUPPLY FUND TO COVER COSTS.—The General Supply Fund provided for in section 321 of this title is available for use by or under the direction and control of the Administrator of General Services to pay the costs of carrying out section 602 of this title, including the cost of purchasing or renting motor vehicles and related equipment and supplies.

 22 poration, or agency that uses the vehicle and that is descriptive of the  
 23 service for which the vehicle is used; and

24 (2) the legend “For official use only”.

(B) pending a sale, may lease the property for not more than 5 years and on terms the Administrator considers to be in the public interest; or

(C) may sell the property at public sale to the highest responsible bidder on terms and after public advertisement that the Administrator considers to be in the public interest.

(2) REVIEW OF DECISION TO ASSIGN SPACE.—If the federal agency to which space is assigned does not desire to occupy the space, the decision of the Administrator under paragraph (1)(A) is subject to review by the President.

(3) NEGOTIATED SALE.—If no bids which are satisfactory as to price and responsibility of the bidder are received as a result of public advertisement, the Administrator may sell the property by negotiation, on terms as may be considered to be to the best interest of the Government, but at a price not less than that bid by the highest responsible bidder.

(c) DEMOLITION.—The Administrator may demolish any building declared to be surplus to the needs of the Government under this section on deciding that demolition will be in the best interest of the Government. Before proceeding with the demolition, the Administrator shall inform the Secretary of the Interior in writing of the Administrator's intention to demolish the building, and shall not proceed with the demolition until receiving written notice from the Secretary that the building is not an historic building of national significance within the meaning of the Act of August 21, 1935 (16 U.S.C. 461 et seq.) (known as the Historic Sites, Buildings, and Antiquities Act). If the Secretary does not notify the Administrator of the Secretary's decision as to whether the building is an historic building of national significance within 90 days of the receipt of the notice of intention to demolish the building, the Administrator may proceed to demolish the building.

(d) REPAIRS AND ALTERATIONS TO ASSIGNED REAL PROPERTY.—When the Administrator, after investigation, decides that real property referred to in subsection (b) should be used for the accommodation of a federal agency, the Administrator may make any repairs or alterations that the Administrator considers necessary or advisable and may maintain and operate the property.

(e) PAYMENT BY FEDERAL AGENCIES.—

(1) ASSIGNED REAL PROPERTY.—To the extent that the appropriations of the General Services Administration not otherwise allocated are inadequate for repairs, alterations, maintenance, or operation, the Administrator may require each federal agency to which space has been assigned to pay promptly by check to the Administrator out of its appropriation for rent any part of the estimated or actual cost of the repairs, alterations, maintenance, and operation. Payment may be either in advance of, or on or during, occupancy of the space. The Administrator shall determine and equitably apportion the total amount to be paid among the agencies to whom space has been assigned.

(2) LEASED SPACES.—To the extent that the appropriations of the Administration not otherwise required are inadequate, the Administrator may require each federal agency to which leased space has been assigned to pay promptly by check to the Administrator out of its available appropriations any part of the estimated cost of rent, repairs, alterations, maintenance, operation, and moving. Payment may be either in advance or during occupancy of the space. When space in a building is occupied by two or more agencies, the Administrator shall determine and equitably apportion rental, operation, and other charges on the basis of the total amount of space leased.

(f) AUTHORIZATION OF APPROPRIATIONS.—Necessary amounts may be appropriated to cover the costs incident to the sale or lease of real property, or authorized demolition of buildings on the property, declared to be surplus to the needs of any federal agency under this section, and the care, maintenance, and protection of the property, including pay of employees, travel of Government employees, brokers' fees not in excess of rates paid for similar services in the community where the property is situated, appraisals, photographs, surveys, evidence of title and perfecting of defective titles, advertising, and telephone and telegraph charges. However, the agency remains responsible for the proper care, maintenance, and protection of the property until the Administrator assumes custody or other disposition of the property is made.

(g) REGULATIONS.—The Administrator may prescribe regulations as necessary to carry out this section.

#### **§ 1304. Transfer of federal property to States**

(a) OBSOLETE BUILDINGS AND SITES.—

(1) IN GENERAL.—The Administrator of General Services, in the Administrator's discretion, on terms the Administrator considers proper, and under regulations the Administrator may prescribe, may sell property described in paragraph (2) to a State or a political subdivision of a State for public use if the Administrator considers the sale to be in the best interest of the Federal Government.

(2) APPLICABLE PROPERTY.—The property referred to in paragraph (1) is any federal building, building site, or part of a building site under the Administrator's control that has been replaced by a new structure and that the Administrator determines is no longer needed by the Government.

(3) PRICE.—The purchase price for a sale under this section must be at least 50 percent of the value of the land as appraised by the Administrator.

(4) PROCEEDS OF SALE.—The proceeds of a sale under this section shall be deposited in the Treasury as miscellaneous receipts.

(5) PAYMENT TERMS.—The Administrator may enter into a long term contract for the payment of the purchase price in installments that the Administrator considers fair and reasonable. The Administrator may waive any requirement for interest charges on deferred payment.

(6) CONVEYANCE.—The Administrator may convey property sold under this section by the usual quitclaim deed.

(b) WIDENING OF PUBLIC ROADS.—

(1) DEFINITION.—In this subsection, the term “executive agency” means an executive department or independent establishment in the executive branch of the Government, including any wholly owned Government corporation.

(2) IN GENERAL.—When a State or a political subdivision of a State applies for a conveyance or transfer of real property of the Government in connection with an authorized widening of a public highway, street, or alley, the head of the executive agency that controls the affected real property may convey or transfer to the State or political subdivision, with or without consideration, an interest in the real property that the agency head determines is not adverse to the interests of the Government. A conveyance or transfer under this subsection is subject to terms and conditions the agency head considers necessary to protect the interests of the Government.

(3) LIMITATION ON TRANSFERS FOR HIGHWAY PURPOSES.—An interest in real property which can be transferred to a State or a political subdivision of a State for highway purposes under title 23 may not be conveyed or transferred under this subsection.

(4) LIMITATION ON ISSUANCE OF RIGHTS OF WAY.—Rights of way over, under, and through public lands and lands in the National Forest System may not be granted under this subsection.

**§ 1305. Disposition of land acquired by devise**

The General Services Administration may take custody, for disposal as excess property under this subtitle and title III of the Federal Property and Administrative Services Act of 1949 (41 U.S.C. 251 et seq.), of land acquired by the Federal Government by devise.

**§ 1306. Disposition of abandoned or forfeited personal property**

(a) DEFINITIONS.—In this section—

(1) AGENCY.—The term “agency” includes any executive department, independent establishment, board, commission, bureau, service,

or division of the Federal Government, and any corporation in which the Government owns at least a majority of the stock.

(2) PROPERTY.—The term “property” means all personal property, including vessels, vehicles, and aircraft.

(b) VOLUNTARILY ABANDONED PROPERTY.—Property voluntarily abandoned to any agency in a way that vests title to the property in the Government may be retained by the agency and devoted to official use only. If the agency does not desire to retain the property, the head of the agency immediately shall notify the Administrator of General Services to that effect, and the Administrator, within a reasonable time, shall—

(1) order the agency to deliver the property to another agency that requests the property and that the Administrator believes should be given the property; or

(2) order disposal of the property as otherwise provided by law.

(c) FORFEITED PROPERTY.—

(1) AGENCY RETAINS PROPERTY.—An agency that seizes property that has been forfeited to the Government other than by court decree may retain the property and devote it only to official use instead of disposing of the property as otherwise provided by law if competent authority does not order the property returned to any claimant.

(2) AGENCY DOES NOT DESIRE TO RETAIN PROPERTY.—If the agency does not desire to retain the property, the head of the agency immediately shall notify the Administrator to that effect, and the property—

(A) if not ordered by competent authority to be returned to any claimant, or disposed of as otherwise provided by law, shall be delivered by the agency, on order of the Administrator given within a reasonable time, to another agency that requests the property and that the Administrator believes should be given the property; or

(B) on order of the Administrator given within a reasonable time, shall be disposed of as otherwise provided by law.

(d) PROPERTY SUBJECT TO COURT PROCEEDING FOR FORFEITURE.—

(1) NOTIFICATION OF ADMINISTRATOR.—If a proceeding has begun for the forfeiture of any property by court decree, the agency that seized the property immediately shall notify the Administrator and at the same time may file with the Administrator a request for the property for its official use.

(2) APPLICATION FOR COURT ORDER TO DELIVER PROPERTY.—

(A) IN GENERAL.—Before entry of a decree, the Administrator shall apply to the court to order delivery of the property in accordance with this paragraph.

(B) DELIVERY TO SEIZING AGENCY.—If the agency that seized the property files a request for the property under paragraph (1), the Administrator shall apply to the court to order delivery of the property to the agency that seized the property.

(C) DELIVERY TO OTHER REQUESTING AGENCY.—If the agency that seized the property does not file a request for the property under paragraph (1) but another agency requests the property, the Administrator shall apply to the court to order delivery of the property to the requesting agency if the Administrator believes that the requesting agency should be given the property.

(D) DELIVERY TO SEIZING AGENCY FOR TEMPORARY HOLDING.—If application to the court cannot be made under subparagraph (B) or (C) and the Administrator believes the property may later become necessary to any agency for official use, the Administrator shall apply to the court to order delivery of the property to the agency that seized the property, to be retained in its custody. Within a reasonable time, the Administrator shall order the agency to—

(i) deliver the property to another agency that requests the property and that the Administrator believes should be given the property; or

(ii) dispose of the property as otherwise provided by law.

(3) FORFEITURE DECREED.—If forfeiture is decreed and the property is not ordered by competent authority to be returned to any claimant, the court shall order delivery as provided in paragraph (2).

(4) WHEN NO APPLICATION MADE.—The court shall dispose of property for which no application is made in accordance with law.

(e) RETENTION OR DELIVERY OF PROPERTY DEEMED SALE.—Retention or delivery of forfeited or abandoned property under this section is deemed to be a sale of the property for the purpose of laws providing for informer's fees or remission or mitigation of a forfeiture. Property acquired under this section when no longer needed for official use shall be disposed of in the same manner as other surplus property.

(f) PAYMENT OF COSTS RELATED TO PROPERTY.—

(1) AVAILABILITY OF APPROPRIATIONS.—The appropriation available to an agency for the purchase, hire, operation, maintenance, and repair of any property is available for—

(A) the payment of expenses of operation, maintenance, and repair of property of the same kind the agency receives under this section for official use;

(B) the payment of a lien recognized and allowed under law;

(C) the payment of amounts found to be due a person on the authorized remission or mitigation of a forfeiture; and

(D) reimbursement of other agencies as provided in paragraph (2).

(2) PAYMENT AND REIMBURSEMENT OF CERTAIN COSTS.—The agency that receives property under this section shall pay the cost of hauling, transporting, towing, and storing the property. If the property is later delivered to another agency for official use under this section, the agency to which the property is delivered shall make reimbursement for all of those costs incurred prior to the date the property is delivered.

(g) REPORT.—With the approval of the Secretary of the Treasury, the Administrator may require an agency to make a report of all property abandoned to it or seized and the disposal of the property.

(h) ADMINISTRATIVE.—

(1) REGULATIONS.—With the approval of the Secretary, the Administrator may prescribe regulations necessary to carry out this section.

(2) OTHER LAWS NOT REPEALED.—This section does not repeal any other laws relating to the disposition of forfeited or abandoned property, except provisions of those laws directly in conflict with this section which were enacted prior to August 27, 1935.

(3) PROPERTY NOT SUBJECT TO ALLOCATION UNDER THIS SECTION.—The following classes of property are not subject to allocation under this section, but shall be disposed of in the manner otherwise provided by law:

(A) narcotic drugs, as defined in the Controlled Substances Act (21 U.S.C. 801 et seq.).

(B) firearms, as defined in section 5845 of the Internal Revenue Code of 1986 (26 U.S.C. 5845).

(C) other classes or kinds of property the disposal of which the Administrator, with the approval of the Secretary, may consider in the public interest, and may by regulation provide.

### **§ 1307. Disposition of securities**

The President, or an officer, agent, or agency the President may designate, may dispose of any securities acquired on behalf of the Federal Government under the provisions of the Transportation Act of 1920 (ch. 91, 41 Stat. 456), including any securities acquired as an incident to a case under title 11, under a receivership or reorganization proceeding, by assignment, transfer, substitution, or issuance, or by acquisition of collateral given for the payment of obligations to the Government, or may make arrangements for the extension of the maturity of the securities, in the manner, in amounts, at prices, for cash, securities, or other property or any combina-

tion of cash, securities, or other property, and on terms and conditions the President or designee considers advisable and in the public interest.

**§ 1308. Disposition of unfit horses and mules**

Subject to applicable regulations under this subtitle and title III of the Federal Property and Administrative Services Act of 1949 (41 U.S.C. 251 et seq.), horses and mules belonging to the Federal Government that have become unfit for service may be destroyed or put out to pasture, either on pastures belonging to the Government or those belonging to financially sound and reputable humane organizations whose facilities permit them to care for the horses and mules during the remainder of their natural lives, at no cost to the Government.

**§ 1309. Preservation, sale, or collection of wrecked, abandoned, or derelict property**

The Administrator of General Services may make contracts and provisions for the preservation, sale, or collection of property, or the proceeds of property, which may have been wrecked, been abandoned, or become derelict, if the Administrator considers the contracts and provisions to be in the interest of the Federal Government and the property is within the jurisdiction of the United States and should come to the Government. A contract may provide compensation the Administrator considers just and reasonable to any person who gives information about the property or actually preserves, collects, surrenders, or pays over the property. Under each specific agreement for obtaining, preserving, collecting, or receiving property or making property available, the costs or claim chargeable to the Government may not exceed amounts realized and received by the Government.

**§ 1310. Sale of war supplies, land, and buildings**

(a) IN GENERAL.—The President, through the head of any executive department and on terms the head of the department considers expedient, may sell to a person, another department of the Federal Government, or the government of a foreign country engaged in war against a country with which the United States is at war—

(1) war supplies, material, and equipment;

(2) by-products of the war supplies, material, and equipment; and

(3) any building, plant, or factory, including the land on which the plant or factory may be situated, acquired since April 6, 1917, for the production of war supplies, materials, and equipment that, during the emergency existing on July 9, 1918, may have been purchased, acquired, or manufactured by the Government.

(b) LIMITATION ON SALE OF GUNS AND AMMUNITION.—Sales of guns and ammunition authorized under any law shall be limited to—

(1) other departments of the Government;

(2) governments of foreign countries engaged in war against a country with which the United States is at war; and

(3) members of the National Rifle Association and of other recognized associations organized in the United States for the encouragement of small-arms target practice.

**§ 1311. Authority of President to obtain release**

For the use or benefit of the Federal Government, the President may obtain from an individual or officer to whom land has been or will be conveyed a release of the individual's or officer's interest to the Government.

**§ 1312. Release of real estate in certain cases**

(a) IN GENERAL.—Real estate that has become the property of the Federal Government in payment of a debt which afterward is fully paid in money and received by the Government may be conveyed by the Administrator of General Services to the debtor from whom it was taken or to the heirs or devisees of the debtor or the person that they may appoint.

(b) NONAPPLICATION.—This section does not apply to real estate the Government acquires in payment of any debt arising under the Internal Revenue Code of 1986 (26 U.S.C. 1 et seq.).

**§ 1313. Releasing property from attachment**

(a) STIPULATION OF DISCHARGE.—

(1) PERSON ASSERTING CLAIM ENTITLED TO BENEFITS.—In a judicial proceeding under the laws of a State, district, territory, or possession of the United States, when property owned or held by the Federal Government, or in which the Government has or claims an interest, is seized, arrested, attached, or held for the security or satisfaction of a claim made against the property, the Attorney General may direct the United States Attorney for the district in which the property is located to enter a stipulation that on discharge of the property from the seizure, arrest, attachment, or proceeding, the person asserting the claim against the property becomes entitled to all the benefits of this section.

(2) NONAPPLICATION.—This subsection does not—

(A) recognize or concede any right to enforce by seizure, arrest, attachment, or any judicial process a claim against property—

(i) of the Government; or

(ii) held, owned, or employed by the Government, or by a department of the Government, for a public use; or

(B) waive an objection to a proceeding brought to enforce the claim.

(b) PAYMENT.—After a discharge, a final judgment which affirms the claim for the security or satisfaction and the right of the person asserting the claim to enforce it against the property, notwithstanding the claims of

the Government, is deemed to be a full and final determination of the rights of the person and entitles the person, as against the Government, to the rights the person would have had if possession of the property had not been changed. When the claim is for the payment of money found to be due, presentation of an authenticated copy of the record of the judgment and proceedings is sufficient evidence to the proper accounting officers for the allowance of the claim, which shall be allowed and paid out of amounts in the Treasury not otherwise appropriated. The amount allowed and paid shall not exceed the value of the interest of the Government in the property.

#### § 1314. Easements

(a) DEFINITIONS.—In this section—

(1) EXECUTIVE AGENCY.—The term “executive agency” means an executive department or independent establishment in the executive branch of the Federal Government, including a wholly owned Government corporation.

(i) land reserved or dedicated for national forest purposes;

(ii) land the Secretary of the Interior administers or supervises in accordance with the Act of August 25, 1916 (16 U.S.C. 1, 2, 3, 4) (known as the National Park Service Organic Act);

(iv) land the Government acquires primarily for fish and wildlife conservation purposes and the Secretary administers;

(C) land acquired for national forest purposes.

(3) STATE.—The term “State” means a State of the United States, the District of Columbia, Puerto Rico, and the territories and possessions of the United States.

(b) GRANT OF EASEMENT.—When a State, a political subdivision or agency of a State, or a person applies for the grant of an easement in, over, or on real property of the Government, the executive agency having control of the real property may grant to the applicant, on behalf of the Government, an easement that the head of the agency decides will not be adverse to the interests of the Government, subject to reservations, exceptions, limitations, benefits, burdens, terms, or conditions that the head of the agency considers necessary to protect the interests of the Government. The grant

1 may be made without consideration, or with monetary or other consider-  
 2 ation, including an interest in real property.

3 (c) RELINQUISHMENT OF LEGISLATIVE JURISDICTION.—In connection  
 4 with the grant of an easement, the executive agency concerned may relin-  
 5 quish to the State in which the real property is located legislative jurisdic-  
 6 tion that the executive agency considers necessary or desirable. Relinquish-  
 7 ment of legislative jurisdiction may be accomplished by filing with the chief  
 8 executive officer of the State a notice of relinquishment to take effect upon  
 9 acceptance or by proceeding in the manner that the laws applicable to the  
 10 State may provide.

11 (d) TERMINATION OF EASEMENT.—

12 (1) WHEN TERMINATION OCCURS.—The instrument granting the  
 13 easement may provide for termination of any part of the easement if  
 14 there has been—

15 (A) a failure to comply with a term or condition of the grant;

16 (B) a nonuse of the easement for a consecutive 2-year period  
 17 for the purpose for which granted; or

18 (C) an abandonment of the easement.

19 (2) NOTICE REQUIRED.—If a termination provision is included, it  
 20 shall require that written notice of the termination be given to the  
 21 grantee, or its successors or assigns.

22 (3) EFFECTIVE DATE.—The termination is effective as of the date  
 23 of the notice.

24 (e) ADDITIONAL EASEMENT AUTHORITY.—The authority conferred by  
 25 this section is in addition to, and shall not affect or be subject to, any other  
 26 law under which an executive agency may grant easements.

27 (f) LIMITATION ON ISSUANCE OF RIGHTS OF WAY.—Rights of way over,  
 28 under, and through public lands and lands in the National Forest System  
 29 may not be granted under this section.

### 30 **§ 1315. Special police**

31 (a) APPOINTMENT.—The Administrator of General Services, or an official  
 32 of the General Services Administration authorized by the Administrator,  
 33 may appoint uniformed guards of the Administration as special police with-  
 34 out additional compensation for duty in connection with the policing of all  
 35 buildings and areas owned or occupied by the Federal Government and  
 36 under the charge and control of the Administrator.

37 (b) POWERS.—Special police appointed under this section have the same  
 38 powers as sheriffs and constables on property referred to in subsection (a)  
 39 to enforce laws enacted for the protection of individuals and property, pre-  
 40 vent breaches of the peace, suppress affrays or unlawful assemblies, and en-  
 41 force regulations prescribed by the Administrator or an official of the Ad-

1     ministration authorized by the Administrator for property under their juris-  
 2     diction. However, the jurisdiction and policing powers of special police do  
 3     not extend to the service of civil process.

4     (c) DETAIL.—On the application of the head of a department or agency  
 5     of the Government having property of the Government under its administra-  
 6     tion and control, the Administrator or an official of the Administration au-  
 7     thorized by the Administrator may detail special police for the protection  
 8     of the property and, if the Administrator considers it desirable, may extend  
 9     to the property the applicability of regulations and enforce them as provided  
 10    in this section.

11    (d) USE OF OTHER LAW ENFORCEMENT AGENCIES.—When it is consid-  
 12    ered economical and in the public interest, the Administrator or an official  
 13    of the Administration authorized by the Administrator may utilize the facili-  
 14    ties and services of existing federal law enforcement agencies, and, with the  
 15    consent of a state or local agency, the facilities and services of state or local  
 16    law enforcement agencies.

17    (e) NONUNIFORMED SPECIAL POLICE.—The Administrator, or an official  
 18    of the Administration authorized by the Administrator, may empower offi-

 20    functions to act as nonuniformed special police to protect property under  
 21    the charge and control of the Administration and to carry firearms, whether  
 22    on federal property or in travel status. When on real property under the  
 23    charge and control of the Administration, officials or employees empowered  
 24    to act as nonuniformed special police have the power to enforce federal laws  
 25    for the protection of individuals and property and to enforce regulations for  
 26    that purpose that the Administrator or an official of the Administration au-  
 27    thorized by the Administrator prescribes and publishes. The special police  
 28    may make arrests without warrant for any offense committed on the prop-  
 29    erty if the police have reasonable grounds to believe the offense constitutes  
 30    a felony under the laws of the United States and that the individual to be  
 31    arrested is guilty of that offense.

32    (f) ADMINISTRATIVE.—The Administrator or an official of the Adminis-  
 33    tration authorized by the Administrator may prescribe regulations necessary  
 34    for the government of the property under their charge and control, and may  
 35    annex to the regulations reasonable penalties, within the limits prescribed  
 36    in subsection (g), that will ensure their enforcement. The regulations shall  
 37    be posted and kept posted in a conspicuous place on the property.

38    (g) PENALTIES.—

39        (1) IN GENERAL.—Except as provided in paragraph (2), a person  
 40        violating a regulation prescribed under subsection (f) shall be fined

 6       by the Federal Government on the same terms and conditions, and subject  
 7       to the same regulations, as generally govern the admission of the public to  
 8       the property. The animals are not permitted to run free or roam in a build-  
 9       ing or on the property and must be in guiding harness or on leash and  
 10      under the control of the individual at all times while in a building or on  
 11      the property.

12      (b) REGULATIONS.—The head of each department or other agency of the  
 13      Government may prescribe regulations the individual considers necessary in  
 14      the public interest to carry out this section as it applies to any building or  
 15      other property subject to the individual's jurisdiction.

16   **§ 3104. Furniture for new buildings**

17      Furniture for all new public buildings shall be acquired in accordance  
 18      with plans and specifications approved by the Administrator of General  
 19      Services.

20   **§ 3105. Buildings not to be draped in mourning**

21      No building owned, or used for public purposes, by the Federal Govern-  
 22      ment shall be draped in mourning nor may public money be used for that  
 23      purpose.

24                                   SUBCHAPTER II—ACQUIRING LAND

25   **§ 3111. Approval of sufficiency of title prior to acquisition**

26      (a) APPROVAL OF ATTORNEY GENERAL REQUIRED.—Public money may  
 27      not be expended to purchase land or any interest in land unless the Attor-  
 28      ney General gives prior written approval of the sufficiency of the title to  
 29      the land for the purpose for which the Federal Government is acquiring the  
 30      property.

31      (b) DELEGATION.—

32          (1) IN GENERAL.—The Attorney General may delegate the responsi-  
 33          bility under this section to other departments and agencies of the Gov-  
 34          ernment, subject to general supervision by the Attorney General and  
 35          in accordance with regulations the Attorney General prescribes.

36          (2) REQUEST FOR OPINION OF ATTORNEY GENERAL.—A department  
 37          or agency of the Government that has been delegated the responsibility  
 38          to approve land titles under this section may request the Attorney Gen-  
 39          eral to render an opinion as to the validity of the title to any real prop-  
 40          erty or interest in the property, or may request the advice or assistance

1 of the Attorney General in connection with determinations as to the  
2 sufficiency of titles.

3 (c) PAYMENT OF EXPENSES FOR PROCURING CERTIFICATES OF TITLE.—  
4 Except where otherwise authorized by law or provided by contract, the ex-  
5 penses of procuring certificates of titles or other evidences of title as the  
6 Attorney General may require may be paid out of the appropriations for the  
7 acquisition of land or out of the appropriations made for the contingencies  
8 of the acquiring department or agency of the Government.

9 (d) NONAPPLICATION.—This section does not affect any provision of law  
10 in effect on September 1, 1970, that is applicable to the acquisition of land  
11 or interests in land by the Tennessee Valley Authority.

## 12 **§ 3112. Federal jurisdiction**

13 (a) EXCLUSIVE JURISDICTION NOT REQUIRED.—It is not required that  
14 the Federal Government obtain exclusive jurisdiction in the United States  
15 over land or an interest in land it acquires.

16 (b) ACQUISITION AND ACCEPTANCE OF JURISDICTION.—When the head  
17 of a department, agency, or independent establishment of the Government,  
18 or other authorized officer of the department, agency, or independent estab-  
19 lishment, considers it desirable, that individual may accept or secure, from  
20 the State in which land or an interest in land that is under the immediate  
21 jurisdiction, custody, or control of the individual is situated, consent to, or  
22 cession of, any jurisdiction over the land or interest not previously obtained.  
23 The individual shall indicate acceptance of jurisdiction on behalf of the Gov-  
24 ernment by filing a notice of acceptance with the Governor of the State or  
25 in another manner prescribed by the laws of the State where the land is  
26 situated.

27 (c) PRESUMPTION.—It is conclusively presumed that jurisdiction has not  
28 been accepted until the Government accepts jurisdiction over land as pro-  
29 vided in this section.

## 30 **§ 3113. Acquisition by condemnation**

31 An officer of the Federal Government authorized to acquire real estate  
32 for the erection of a public building or for other public uses may acquire  
33 the real estate for the Government by condemnation, under judicial process,  
34 when the officer believes that it is necessary or advantageous to the Govern-  
35 ment to do so. The Attorney General, on application of the officer, shall  
36 have condemnation proceedings begun within 30 days from receipt of the  
37 application at the Department of Justice.

## 38 **§ 3114. Declaration of taking**

39 (a) FILING AND CONTENT.—In any proceeding in any court of the United  
40 States outside of the District of Columbia brought by and in the name of  
41 the United States and under the authority of the Federal Government to

1 acquire land, or an easement or right of way in land, for the public use,  
 2 the petitioner may file, with the petition or at any time before judgment,  
 3 a declaration of taking signed by the authority empowered by law to acquire  
 4 the land described in the petition, declaring that the land is taken for the  
 5 use of the Government. The declaration of taking shall contain or have an-  
 6 nexed to it—

7 (1) a statement of the authority under which, and the public use for  
 8 which, the land is taken;

9 (2) a description of the land taken that is sufficient to identify the  
 10 land;

11 (3) a statement of the estate or interest in the land taken for public  
 12 use;

13 (4) a plan showing the land taken; and

14 (5) a statement of the amount of money estimated by the acquiring  
 15 authority to be just compensation for the land taken.

16 (b) VESTING OF TITLE.—On filing the declaration of taking and depos-  
 17 iting in the court, to the use of the persons entitled to the compensation,  
 18 the amount of the estimated compensation stated in the declaration—

19 (1) title to the estate or interest specified in the declaration vests  
 20 in the Government;

21 (2) the land is condemned and taken for the use of the Government;  
 22 and

23 (3) the right to just compensation for the land vests in the persons  
 24 entitled to the compensation.

25 (c) COMPENSATION.—

26 (1) DETERMINATION AND AWARD.—Compensation shall be deter-  
 27 mined and awarded in the proceeding and established by judgment.  
 28 The judgment shall include interest, in accordance with section 3116  
 29 of this title, on the amount finally awarded as the value of the property  
 30 as of the date of taking and shall be awarded from that date to the  
 31 date of payment. Interest shall not be allowed on as much of the com-  
 32 pensation as has been paid into the court. Amounts paid into the court  
 33 shall not be charged with commissions or poundage.

34 (2) ORDER TO PAY.—On application of the parties in interest, the  
 35 court may order that any part of the money deposited in the court be  
 36 paid immediately for or on account of the compensation to be awarded  
 37 in the proceeding.

38 (3) DEFICIENCY JUDGMENT.—If the compensation finally awarded is  
 39 more than the amount of money received by any person entitled to  
 40 compensation, the court shall enter judgment against the Government  
 41 for the amount of the deficiency.

(d) AUTHORITY OF COURT.—On the filing of a declaration of taking, the court—

(1) may fix the time within which, and the terms on which, the parties in possession shall be required to surrender possession to the petitioner; and

(2) may make just and equitable orders in respect of encumbrances, liens, rents, taxes, assessments, insurance, and other charges.

(e) VESTING NOT PREVENTED OR DELAYED.—An appeal or a bond or undertaking given in a proceeding does not prevent or delay the vesting of title to land in the Government.

**§3115. Irrevocable commitment of Federal Government to pay ultimate award when fixed**

(a) REQUIREMENT FOR IRREVOCABLE COMMITMENT.—Action under section 3114 of this title irrevocably committing the Federal Government to the payment of the ultimate award shall not be taken unless the head of the executive department or agency or bureau of the Government empowered to acquire the land believes that the ultimate award probably will be within any limits Congress prescribes on the price to be paid.

(b) AUTHORIZED PURPOSES OF EXPENDITURES AFTER IRREVOCABLE COMMITMENT MADE.—When the Government has taken or may take title to real property during a condemnation proceeding and in advance of final judgment in the proceeding and has become irrevocably committed to pay the amount ultimately to be awarded as compensation, and the Attorney General believes that title to the property has been vested in the Government or that all persons having an interest in the property have been made parties to the proceeding and will be bound by the final judgment, the Government may expend amounts appropriated for that purpose to demolish existing structures on the property and to erect public buildings or public works on the property.

**§3116. Interest as part of just compensation**

(a) CALCULATION.—The district court shall calculate interest required to be paid under this subchapter as follows:

(1) PERIOD OF NOT MORE THAN ONE YEAR.—Where the period for which interest is owed is not more than one year, interest shall be calculated from the date of taking at an annual rate equal to the weekly average one-year constant maturity Treasury yield, as published by the Board of Governors of the Federal Reserve System, for the calendar week preceding the date of taking.

(2) PERIOD OF MORE THAN ONE YEAR.—Where the period for which interest is owed is more than one year, interest for the first year shall be calculated in accordance with paragraph (1) and interest for each

additional year shall be calculated on the amount by which the award of compensation is more than the deposit referred to in section 3114 of this title, plus accrued interest, at an annual rate equal to the weekly average one-year constant maturity Treasury yield, as published by the Board of Governors of the Federal Reserve System, for the calendar week preceding the beginning of each additional year.

(b) DISTRIBUTION OF NOTICE OF RATES.—The Director of the Administrative Office of the United States Courts shall distribute to all federal courts notice of the rates described in paragraphs (1) and (2) of subsection (a).

**§ 3117. Exclusion of certain property by stipulation of Attorney General**

In any condemnation proceeding brought by or on behalf of the Federal Government, the Attorney General may stipulate or agree on behalf of the Government to exclude any part of the property, or any interest in the property, taken by or on behalf of the Government by a declaration of taking or otherwise.

**§ 3118. Right of taking as addition to existing rights**

The right to take possession and title in advance of final judgment in condemnation proceedings as provided by section 3114 of this title is in addition to any right, power, or authority conferred by the laws of the United States or of a State, territory, or possession of the United States under which the proceeding may be conducted, and does not abrogate, limit, or modify that right, power, or authority.

SUBCHAPTER III—BONDS

**§ 3131. Bonds of contractors of public buildings or works**

(a) DEFINITION.—In this subchapter, the term “contractor” means a person awarded a contract described in subsection (b).

(b) TYPE OF BONDS REQUIRED.—Before any contract of more than \$100,000 is awarded for the construction, alteration, or repair of any public building or public work of the Federal Government, a person must furnish to the Government the following bonds, which become binding when the contract is awarded:

(1) PERFORMANCE BOND.—A performance bond with a surety satisfactory to the officer awarding the contract, and in an amount the officer considers adequate, for the protection of the Government.

(2) PAYMENT BOND.—A payment bond with a surety satisfactory to the officer for the protection of all persons supplying labor and material in carrying out the work provided for in the contract for the use of each person. The amount of the payment bond shall equal the total amount payable by the terms of the contract unless the officer award-

ing the contract determines, in a writing supported by specific findings, that a payment bond in that amount is impractical, in which case the contracting officer shall set the amount of the payment bond. The amount of the payment bond shall not be less than the amount of the performance bond.

(c) COVERAGE FOR TAXES IN PERFORMANCE BOND.—

(1) IN GENERAL.—Every performance bond required under this section specifically shall provide coverage for taxes the Government imposes which are collected, deducted, or withheld from wages the contractor pays in carrying out the contract with respect to which the bond is furnished.

(2) NOTICE.—The Government shall give the surety on the bond written notice, with respect to any unpaid taxes attributable to any period, within 90 days after the date when the contractor files a return for the period, except that notice must be given no later than 180 days from the date when a return for the period was required to be filed under the Internal Revenue Code of 1986 (26 U.S.C. 1 et seq.).

(3) CIVIL ACTION.—The Government may not bring a civil action on the bond for the taxes—

(A) unless notice is given as provided in this subsection; and

(B) more than one year after the day on which notice is given.

(d) WAIVER OF BONDS FOR CONTRACTS PERFORMED IN FOREIGN COUNTRIES.—A contracting officer may waive the requirement of a performance bond and payment bond for work under a contract that is to be performed in a foreign country if the officer finds that it is impracticable for the contractor to furnish the bonds.

(e) AUTHORITY TO REQUIRE ADDITIONAL BONDS.—This section does not limit the authority of a contracting officer to require a performance bond or other security in addition to those, or in cases other than the cases, specified in subsection (b).

**§ 3132. Alternatives to payment bonds provided by Federal Acquisition Regulation**

(a) IN GENERAL.—The Federal Acquisition Regulation shall provide alternatives to payment bonds as payment protections for suppliers of labor and materials under contracts referred to in section 3131(a) of this title that are more than \$25,000 and not more than \$100,000.

(b) RESPONSIBILITIES OF CONTRACTING OFFICER.—The contracting officer for a contract shall—

(1) select, from among the payment protections provided for in the Federal Acquisition Regulation pursuant to subsection (a), one or more payment protections which the offeror awarded the contract is to sub-

mit to the Federal Government for the protection of suppliers of labor and materials for the contract; and

(2) specify in the solicitation of offers for the contract the payment protections selected.

**§ 3133. Rights of persons furnishing labor or material**

(a) RIGHT OF PERSON FURNISHING LABOR OR MATERIAL TO COPY OF BOND.—The department secretary or agency head of the contracting agency shall furnish a certified copy of a payment bond and the contract for which it was given to any person applying for a copy who submits an affidavit that the person has supplied labor or material for work described in the contract and payment for the work has not been made or that the person is being sued on the bond. The copy is prima facie evidence of the contents, execution, and delivery of the original. Applicants shall pay any fees the department secretary or agency head of the contracting agency fixes to cover the cost of preparing the certified copy.

(b) RIGHT TO BRING A CIVIL ACTION.—

(1) IN GENERAL.—Every person that has furnished labor or material in carrying out work provided for in a contract for which a payment bond is furnished under section 3131 of this title and that has not been paid in full within 90 days after the day on which the person did or performed the last of the labor or furnished or supplied the material for which the claim is made may bring a civil action on the payment bond for the amount unpaid at the time the civil action is brought and may prosecute the action to final execution and judgment for the amount due.

(2) PERSON HAVING DIRECT CONTRACTUAL RELATIONSHIP WITH A SUBCONTRACTOR.—A person having a direct contractual relationship with a subcontractor but no contractual relationship, express or implied, with the contractor furnishing the payment bond may bring a civil action on the payment bond on giving written notice to the contractor within 90 days from the date on which the person did or performed the last of the labor or furnished or supplied the last of the material for which the claim is made. The action must state with substantial accuracy the amount claimed and the name of the party to whom the material was furnished or supplied or for whom the labor was done or performed. The notice shall be served—

(A) by any means that provides written, third-party verification of delivery to the contractor at any place the contractor maintains an office or conducts business or at the contractor's residence; or

1 (B) in any manner in which the United States marshal of the  
 2 district in which the public improvement is situated by law may  
 3 serve summons.

4 (3) VENUE.—A civil action brought under this subsection must be  
 5 brought—

6 (A) in the name of the United States for the use of the person  
 7 bringing the action; and

8 (B) in the United States District Court for any district in which  
 9 the contract was to be performed and executed, regardless of the  
 10 amount in controversy.

11 (4) PERIOD IN WHICH ACTION MUST BE BROUGHT.—An action  
 12 brought under this subsection must be brought no later than one year  
 13 after the day on which the last of the labor was performed or material  
 14 was supplied by the person bringing the action.

15 (5) LIABILITY OF FEDERAL GOVERNMENT.—The Government is not  
 16 liable for the payment of any costs or expenses of any civil action  
 17 brought under this subsection.

18 (c) A waiver of the right to bring a civil action on a payment bond re-  
 19 quired under this subchapter is void unless the waiver is—

20 (1) in writing;

21 (2) signed by the person whose right is waived; and

22 (3) executed after the person whose right is waived has furnished  
 23 labor or material for use in the performance of the contract.

#### 24 **§ 3134. Waivers for certain contracts**

25 (a) MILITARY.—The Secretary of the Army, the Secretary of the Navy,  
 26 the Secretary of the Air Force, or the Secretary of Transportation may  
 27 waive this subchapter with respect to cost-plus-a-fixed fee and other cost-  
 28 type contracts for the construction, alteration, or repair of any public build-  
 29 ing or public work of the Federal Government and with respect to contracts  
 30 for manufacturing, producing, furnishing, constructing, altering, repairing,  
 31 processing, or assembling vessels, aircraft, munitions, materiel, or supplies  
 32 for the Army, Navy, Air Force, or Coast Guard, respectively, regardless of  
 33 the terms of the contracts as to payment or title.

34 (b) TRANSPORTATION.—The Secretary of Transportation may waive this  
 35 subchapter with respect to contracts for the construction, alteration, or re-  
 36 pair of vessels when the contract is made under sections 1535 and 1536  
 37 of title 31, the Merchant Marine Act, 1936 (46 App. U.S.C. 1101 et seq.),  
 38 or the Merchant Ship Sales Act of 1946 (50 App. U.S.C. 1735 et seq.),  
 39 regardless of the terms of the contracts as to payment or title.

## SUBCHAPTER IV—WAGE RATE REQUIREMENTS

**§ 3141. Definitions**

In this subchapter, the following definitions apply:

(1) **FEDERAL GOVERNMENT.**—The term “Federal Government” has the same meaning that the term “United States” had in the Act of March 3, 1931 (ch. 411, 46 Stat. 1494 (known as the Davis-Bacon Act)).

(2) **WAGES, SCALE OF WAGES, WAGE RATES, MINIMUM WAGES, AND PREVAILING WAGES.**—The terms “wages”, “scale of wages”, “wage rates”, “minimum wages”, and “prevailing wages” include—

(A) the basic hourly rate of pay; and

(B) for medical or hospital care, pensions on retirement or death, compensation for injuries or illness resulting from occupational activity, or insurance to provide any of the forgoing, for unemployment benefits, life insurance, disability and sickness insurance, or accident insurance, for vacation and holiday pay, for defraying the costs of apprenticeship or other similar programs, or for other bona fide fringe benefits, but only where the contractor or subcontractor is not required by other federal, state, or local law to provide any of those benefits, the amount of—

(i) the rate of contribution irrevocably made by a contractor or subcontractor to a trustee or to a third person under a fund, plan, or program; and

(ii) the rate of costs to the contractor or subcontractor that may be reasonably anticipated in providing benefits to laborers and mechanics pursuant to an enforceable commitment to carry out a financially responsible plan or program which was communicated in writing to the laborers and mechanics affected.

**§ 3142. Rate of wages for laborers and mechanics**

(a) **APPLICATION.**—The advertised specifications for every contract in excess of \$2,000, to which the Federal Government or the District of Columbia is a party, for construction, alteration, or repair, including painting and decorating, of public buildings and public works of the Government or the District of Columbia that are located in a State or the District of Columbia and which requires or involves the employment of mechanics or laborers shall contain a provision stating the minimum wages to be paid various classes of laborers and mechanics.

(b) **BASED ON PREVAILING WAGE.**—The minimum wages shall be based on the wages the Secretary of Labor determines to be prevailing for the corresponding classes of laborers and mechanics employed on projects of a

1 character similar to the contract work in the civil subdivision of the State  
 2 in which the work is to be performed, or in the District of Columbia if the  
 3 work is to be performed there.

4 (c) STIPULATIONS REQUIRED IN CONTRACT.—Every contract based upon  
 5 the specifications referred to in subsection (a) must contain stipulations  
 6 that—

7 (1) the contractor or subcontractor shall pay all mechanics and la-  
 8 borers employed directly on the site of the work, unconditionally and  
 9 at least once a week, and without subsequent deduction or rebate on  
 10 any account, the full amounts accrued at time of payment, computed  
 11 at wage rates not less than those stated in the advertised specifications,  
 12 regardless of any contractual relationship which may be alleged to exist  
 13 between the contractor or subcontractor and the laborers and mechan-  
 14 ics;

15 (2) the contractor will post the scale of wages to be paid in a promi-  
 16 nent and easily accessible place at the site of the work; and

17 (3) there may be withheld from the contractor so much of accrued  
 18 payments as the contracting officer considers necessary to pay to labor-  
 19 ers and mechanics employed by the contractor or any subcontractor on  
 20 the work the difference between the rates of wages required by the con-  
 21 tract to be paid laborers and mechanics on the work and the rates of  
 22 wages received by the laborers and mechanics and not refunded to the  
 23 contractor or subcontractors or their agents.

24 (d) DISCHARGE OF OBLIGATION.—The obligation of a contractor or sub-  
 25 contractor to make payment in accordance with the prevailing wage deter-  
 26 minations of the Secretary of Labor, under this subchapter and other laws  
 27 incorporating this subchapter by reference, may be discharged by making  
 28 payments in cash, by making contributions described in section  
 29 3141(2)(B)(i) of this title, by assuming an enforceable commitment to bear  
 30 the costs of a plan or program referred to in section 3141(2)(B)(ii) of this  
 31 title, or by any combination of payment, contribution, and assumption,  
 32 where the aggregate of the payments, contributions, and costs is not less  
 33 than the basic hourly rate of pay plus the amount referred to in section  
 34 3141(2)(B).

35 (e) OVERTIME PAY.—In determining the overtime pay to which a laborer  
 36 or mechanic is entitled under any federal law, the regular or basic hourly  
 37 rate of pay (or other alternative rate on which premium rate of overtime  
 38 compensation is computed) of the laborer or mechanic is deemed to be the  
 39 rate computed under section 3141(2)(A) of this title, except that where the  
 40 amount of payments, contributions, or costs incurred with respect to the la-  
 41 borer or mechanic exceeds the applicable prevailing wage, the regular or

basic hourly rate of pay (or other alternative rate) is the amount of payments, contributions, or costs actually incurred with respect to the laborer or mechanic minus the greater of the amount of contributions or costs of the types described in section 3141(2)(B) of this title actually incurred with respect to the laborer or mechanic or the amount determined under section 3141(2)(B) but not actually paid.

**§ 3143. Termination of work on failure to pay agreed wages**

Every contract within the scope of this subchapter shall contain a provision that if the contracting officer finds that any laborer or mechanic employed by the contractor or any subcontractor directly on the site of the work covered by the contract has been or is being paid a rate of wages less than the rate of wages required by the contract to be paid, the Federal Government by written notice to the contractor may terminate the contractor's right to proceed with the work or the part of the work as to which there has been a failure to pay the required wages. The Government may have the work completed, by contract or otherwise, and the contractor and the contractor's sureties shall be liable to the Government for any excess costs the Government incurs.

**§ 3144. Authority of Comptroller General to pay wages and list contractors violating contracts**

(a) PAYMENT OF WAGES.—

(1) IN GENERAL.—The Comptroller General shall pay directly to laborers and mechanics from any accrued payments withheld under the terms of a contract any wages found to be due laborers and mechanics under this subchapter.

(2) RIGHT OF ACTION.—If the accrued payments withheld under the terms of the contract are insufficient to reimburse all the laborers and mechanics who have not been paid the wages required under this subchapter, the laborers and mechanics have the same right to bring a civil action and intervene against the contractor and the contractor's sureties as is conferred by law on persons furnishing labor or materials. In those proceedings it is not a defense that the laborers and mechanics accepted or agreed to accept less than the required rate of wages or voluntarily made refunds.

(b) LIST OF CONTRACTORS VIOLATING CONTRACTS.—

(1) IN GENERAL.—The Comptroller General shall distribute to all departments of the Federal Government a list of the names of persons whom the Comptroller General has found to have disregarded their obligations to employees and subcontractors.

(2) RESTRICTION ON AWARDED CONTRACTS.—No contract shall be awarded to persons appearing on the list or to any firm, corporation,

partnership, or association in which the persons have an interest until three years have elapsed from the date of publication of the list.

**§ 3145. Regulations governing contractors and subcontractors**

(a) IN GENERAL.—The Secretary of Labor shall prescribe reasonable regulations for contractors and subcontractors engaged in constructing, carrying out, completing, or repairing public buildings, public works, or buildings or works that at least partly are financed by a loan or grant from the Federal Government. The regulations shall include a provision that each contractor and subcontractor each week must furnish a statement on the wages paid each employee during the prior week.

(b) APPLICATION.—Section 1001 of title 18 applies to the statements.

**§ 3146. Effect on other federal laws**

This subchapter does not supersede or impair any authority otherwise granted by federal law to provide for the establishment of specific wage rates.

**§ 3147. Suspension of this subchapter during a national emergency**

The President may suspend the provisions of this subchapter during a national emergency.

**§ 3148. Application of this subchapter to certain contracts**

This subchapter applies to a contract authorized by law that is made without regard to section 3709 of the Revised Statutes (41 U.S.C. 5), or on a cost-plus-a-fixed-fee basis or otherwise without advertising for proposals, if this subchapter otherwise would apply to the contract.

**SUBCHAPTER V—VOLUNTEER SERVICES**

**§ 3161. Purpose**

It is the purpose of this subchapter to promote and provide opportunities for individuals who wish to volunteer their services to state or local governments, public agencies, or nonprofit charitable organizations in the construction, repair, or alteration (including painting and decorating) of public buildings and public works that at least partly are financed with federal financial assistance authorized under certain federal programs and that otherwise might not be possible without the use of volunteers.

**§ 3162. Waiver for individuals who perform volunteer services**

(a) CRITERIA FOR RECEIVING WAIVER.—The requirement that certain laborers and mechanics be paid in accordance with the wage-setting provisions of subchapter IV of this chapter as set forth in the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450 et seq.), the Indian Health Care Improvement Act (25 U.S.C. 1601 et seq.), and the Housing

and Community Development Act of 1974 (42 U.S.C. 5301 et seq.) does not apply to an individual—

(1) who volunteers to perform a service directly to a state or local government, a public agency, or a public or private nonprofit recipient of federal assistance—

(A) for civic, charitable, or humanitarian reasons;

(B) only for the personal purpose or pleasure of the individual;

(C) without promise, expectation, or receipt of compensation for services rendered, except as provided in subsection (b); and

(D) freely and without pressure or coercion, direct or implied, from any employer;

(2) whose contribution of service is not for the direct or indirect benefit of any contractor otherwise performing or seeking to perform work on the same project for which the individual is volunteering;

(3) who is not employed by and does not provide services to a contractor or subcontractor at any time on the federally assisted or insured project for which the individual is volunteering; and

(4) who otherwise is not employed by the same public agency or recipient of federal assistance to perform the same type of services as those for which the individual proposes to volunteer.

(b) PAYMENTS.—

(1) IN ACCORDANCE WITH REGULATIONS.—Volunteers described in subsection (a) who are performing services directly to a state or local government or public agency may receive payments of expenses, reasonable benefits, or a nominal fee only in accordance with regulations the Secretary of Labor prescribes. Volunteers who are performing services directly to a public or private nonprofit entity may not receive those payments.

(2) CRITERIA AND CONTENT OF REGULATIONS.—In prescribing the regulations, the Secretary shall consider criteria such as the total amount of payments made (relating to expenses, benefits, or fees) in the context of the economic realities. The regulations shall include provisions that provide that—

(A) a payment for an expense may be received by a volunteer for items such as uniform allowances, protective gear and clothing, reimbursement for approximate out-of-pocket expenses, or the cost or expense of meals and transportation;

(B) a reasonable benefit may include the inclusion of a volunteer in a group insurance plan (such as a liability, health, life, disability, or worker's compensation plan) or pension plan, or the awarding of a length of service award; and

(C) a nominal fee may not be used as a substitute for compensation and may not be connected to productivity.

(3) NOMINAL FEE.—The Secretary shall decide what constitutes a nominal fee for purposes of paragraph (2)(C). The decision shall be based on the context of the economic realities of the situation involved.

33          (b) NO EXEMPTION FROM OTHER PROVISIONS OF CHAPTER.—Delega-  
34          tion under subsection (a) does not exempt the person to whom the delega-

3           (b) USES OF ADVANCES.—A public agency or Indian tribe shall use an

35          to the revolving fund as necessary to carry out the purposes of this chapter.

## 36       **§ 3504. Surveys of public works planning**

37          The Secretary of Housing and Urban Development may use during a fis-  
38          cal year not more than \$100,000 of the amount in the revolving fund estab-

### **§ 3701. Definition and application**

(a) DEFINITION.—In this chapter, the term “Federal Government” has the same meaning that the term “United States” had in the Contract Work Hours and Safety Standards Act (Public Law 87–581, 76 Stat. 357).

(b) APPLICATION.—

(1) CONTRACTS.—This chapter applies to—

(A) any contract that may require or involve the employment of laborers or mechanics on a public work of the Federal Government, a territory of the United States, or the District of Columbia; and

(B) any other contract that may require or involve the employment of laborers or mechanics if the contract is one—

(i) to which the Government, an agency or instrumentality of the Government, a territory, or the District of Columbia is a party;

(ii) which is made for or on behalf of the Government, an agency or instrumentality, a territory, or the District of Columbia; or

(iii) which is a contract for work financed at least in part by loans or grants from, or loans insured or guaranteed by, the Government or an agency or instrumentality under any federal law providing wage standards for the work.

(2) LABORERS AND MECHANICS.—This chapter applies to all laborers and mechanics employed by a contractor or subcontractor in the performance of any part of the work under the contract—

(A) including watchmen, guards, and workers performing services in connection with dredging or rock excavation in any river or harbor of the United States, a territory, or the District of Columbia; but

(B) not including an employee employed as a seaman.

(3) EXCEPTIONS.—

(A) THIS CHAPTER.—This chapter does not apply to—

(i) a contract for—

(I) transportation by land, air, or water;

(II) the transmission of intelligence; or

(III) the purchase of supplies or materials or articles ordinarily available in the open market;

(ii) any work required to be done in accordance with the provisions of the Walsh-Healey Act (41 U.S.C. 35 et seq.); and

(iii) a contract in an amount that is not greater than \$100,000.

(B) SECTION 3902.—Section 3902 of this title does not apply to work where the assistance described in subsection (a)(2)(C) from the Government or an agency or instrumentality is only a loan guarantee or insurance.

## **§ 3702. Work hours**

(a) STANDARD WORKWEEK.—The wages of every laborer and mechanic employed by any contractor or subcontractor in the performance of work on a contract described in section 3701 of this title shall be computed on the basis of a standard workweek of 40 hours. Work in excess of the standard workweek is permitted subject to this section. For each workweek in which the laborer or mechanic is so employed, wages include compensation, at a rate not less than one and one-half times the basic rate of pay, for all hours worked in excess of 40 hours in the workweek.

(b) CONTRACT REQUIREMENTS.—A contract described in section 3701 of this title, and any obligation of the Federal Government, a territory of the United States, or the District of Columbia in connection with that contract, must provide that—

(1) a contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall not require or permit any laborer or mechanic, in any workweek in which the laborer or mechanic is employed on that work,

to work more than 40 hours in that workweek, except as provided in this chapter; and

(2) when a violation of clause (1) occurs, the contractor and any subcontractor responsible for the violation are liable—

(A) to the affected employee for the employee's unpaid wages;

and

(B) to the Government, the District of Columbia, or a territory for liquidated damages as provided in the contract.

(c) LIQUIDATED DAMAGES.—Liquidated damages under subsection (b)(2)(B) shall be computed for each individual employed as a laborer or mechanic in violation of this chapter and shall be equal to \$10 for each calendar day on which the individual was required or permitted to work in excess of the standard workweek without payment of the overtime wages required by this chapter.

(d) AMOUNTS WITHHELD TO SATISFY LIABILITIES.—Subject to section 3703 of this title, the governmental agency for which the contract work is done or which is providing financial assistance for the work may withhold, or have withheld, from money payable because of work performed by a contractor or subcontractor, amounts administratively determined to be necessary to satisfy the liabilities of the contractor or subcontractor for unpaid wages and liquidated damages as provided in this section.

**§ 3703. Report of violations and withholding of amounts for unpaid wages and liquidated damages**

(a) REPORTS OF INSPECTORS.—An officer or individual designated as an inspector of the work to be performed under a contract described in section 3701 of this title, or to aid in the enforcement or fulfillment of the contract, on observation or after investigation immediately shall report to the proper officer of the Federal Government, a territory of the United States, or the District of Columbia all violations of this chapter occurring in the performance of the work, together with the name of each laborer or mechanic who was required or permitted to work in violation of this chapter and the day the violation occurred.

(b) WITHHOLDING AMOUNTS.—

(1) DETERMINING AMOUNT.—The amount of unpaid wages and liquidated damages owing under this chapter shall be determined administratively.

(2) AMOUNT DIRECTED TO BE WITHHELD.—The officer or individual whose duty it is to approve the payment of money by the Government, territory, or District of Columbia in connection with the performance of the contract work shall direct the amount of—

(A) liquidated damages to be withheld for the use and benefit of the Government, territory, or District; and

(B) unpaid wages to be withheld for the use and benefit of the laborers and mechanics who were not compensated as required under this chapter.

(3) PAYMENT.—The Comptroller General shall pay the amount administratively determined to be due directly to the laborers and mechanics from amounts withheld on account of underpayments of wages if the amount withheld is adequate. If the amount withheld is not adequate, the Comptroller General shall pay an equitable proportion of the amount due.

(c) RIGHT OF ACTION AND INTERVENTION AGAINST CONTRACTORS AND SURETIES.—If the accrued payments withheld under the terms of the contract are insufficient to reimburse all the laborers and mechanics who have not been paid the wages required under this chapter, the laborers and mechanics, in the case of a department or agency of the Government, have the same right of action and intervention against the contractor and the contractor's sureties as is conferred by law on persons furnishing labor or materials. In those proceedings it is not a defense that the laborers and mechanics accepted or agreed to accept less than the required rate of wages or voluntarily made refunds.

(d) REVIEW PROCESS.—

(1) TIME LIMIT FOR APPEAL.—Within 60 days after an amount is withheld as liquidated damages, any contractor or subcontractor aggrieved by the withholding may appeal to the head of the agency of the Government or territory for which the contract work is done or which is providing financial assistance for the work, or to the Mayor of the District of Columbia in the case of liquidated damages withheld for the use and benefit of the District.

(2) REVIEW BY AGENCY HEAD OR MAYOR.—The agency head or Mayor may review the administrative determination of liquidated damages. The agency head or Mayor may issue a final order affirming the determination or may recommend to the Secretary of Labor that an appropriate adjustment in liquidated damages be made, or that the contractor or subcontractor be relieved of liability for the liquidated damages, if it is found that the amount is incorrect or that the contractor or subcontractor violated this chapter inadvertently, notwithstanding the exercise of due care by the contractor or subcontractor and the agents of the contractor or subcontractor.

(3) REVIEW BY SECRETARY.—The Secretary shall review all pertinent facts in the matter and may conduct any investigation the Sec-

retary considers necessary in order to affirm or reject the recommendation. The decision of the Secretary is final.

(4) JUDICIAL ACTION.—A contractor or subcontractor aggrieved by a final order for the withholding of liquidated damages may file a claim in the United States Court of Federal Claims within 60 days after the final order. A final order of the agency head, Mayor, or Secretary is conclusive with respect to findings of fact if supported by substantial evidence.

(e) APPLICABILITY OF OTHER LAWS.—

(1) REORGANIZATION PLAN.—Reorganization Plan Numbered 14 of 1950 (eff. May 24, 1950, 64 Stat. 1267) applies to this chapter.

(2) SECTION 3145.—Section 3145 of this title applies to contractors and subcontractors referred to in section 3145 who are engaged in the performance of contracts subject to this chapter.

## **§ 3704. Health and safety standards in building trades and construction industry**

(a) CONDITION OF CONTRACTS.—

(1) IN GENERAL.—Each contract in an amount greater than \$100,000 that is entered into under legislation subject to Reorganization Plan Numbered 14 of 1950 (eff. May 24, 1950, 64 Stat. 1267) and is for construction, alteration, and repair, including painting and decorating, must provide that no contractor or subcontractor contracting for any part of the contract work shall require any laborer or mechanic employed in the performance of the contract to work in surroundings or under working conditions that are unsanitary, hazardous, or dangerous to health or safety, as established under construction safety and health standards the Secretary of Labor prescribes by regulation based on proceedings pursuant to section 553 of title 5, provided that the proceedings include a hearing similar in nature to that authorized by section 553.

(2) CONSULTATION.—In formulating standards under this section, the Secretary shall consult with the Advisory Committee created by subsection (d) of this section.

(b) COMPLIANCE.—

(1) ACTIONS TO GAIN COMPLIANCE.—The Secretary may make inspections, hold hearings, issue orders, and make decisions based on findings of fact as the Secretary considers necessary to gain compliance with this section and any health and safety standard the Secretary prescribes under subsection (a). For those purposes the Secretary and the United States district courts have the authority and jurisdiction provided by sections 4 and 5 of the Walsh-Healey Act (41 U.S.C. 38, 39).

(2) REMEDY WHEN NONCOMPLIANCE FOUND.—When the Secretary, after an opportunity for an adjudicatory hearing by the Secretary, establishes noncompliance under this section of any condition of a contract described in—

(A) section 3701(b)(1)(B)(i) or (ii) of this title, the governmental agency for which the contract work is done may cancel the contract and make other contracts for the completion of the contract work, charging any additional cost to the original contractor; or

(B) section 3701(b)(1)(B)(iii) of this title, the governmental agency which is providing the financial guarantee, assistance, or insurance for the contract work may withhold the guarantee, assistance, or insurance attributable to the performance of the contract.

(3) NONAPPLICABILITY.—Section 3703 of this title does not apply to the enforcement of this section.

(c) REPEATED VIOLATIONS.—

(1) TRANSMITTAL OF NAMES OF REPEAT VIOLATORS TO COMPTROLLER GENERAL.—When the Secretary, after an opportunity for an agency hearing, decides on the record that, by repeated willful or grossly negligent violations of this chapter, a contractor or subcontractor has demonstrated that subsection (b) is not effective to protect the safety and health of the employees of the contractor or subcontractor, the Secretary shall make a finding to that effect and, not sooner than 30 days after giving notice of the finding to all interested persons, shall transmit the name of the contractor or subcontractor to the Comptroller General.

(2) BAN ON AWARDED CONTRACTS.—The Comptroller General shall distribute each name transmitted under paragraph (1) to all agencies of the Federal Government. Unless the Secretary otherwise recommends, the contractor, subcontractor, or any person in which the contractor or subcontractor has a substantial interest may not be awarded a contract subject to this section until three years have elapsed from the date the name is transmitted to the Comptroller General. The Secretary shall terminate the ban if, before the end of the three-year period, the Secretary, after affording interested persons due notice and an opportunity for a hearing, is satisfied that a contractor or subcontractor whose name was transmitted to the Comptroller General will comply responsibly with the requirements of this section. The Comptroller General shall inform all Government agencies after being informed of the Secretary's action.

(3) JUDICIAL REVIEW.—A person aggrieved by the Secretary’s action under this subsection or subsection (b) may file with the appropriate United States court of appeals a petition for review of the Secretary’s action within 60 days after receiving notice of the Secretary’s action. The clerk of the court immediately shall send a copy of the petition to the Secretary. The Secretary then shall file with the court the record on which the action is based. The findings of fact by the Secretary, if supported by substantial evidence, are final. The court may enter a decree enforcing, modifying, modifying and enforcing, or setting aside any part of, the order of the Secretary or the appropriate Government agency. The judgment of the court may be reviewed by the Supreme Court as provided in section 1254 of title 28.

(d) ADVISORY COMMITTEE ON CONSTRUCTION SAFETY AND HEALTH.—

(1) ESTABLISHMENT.—There is an Advisory Committee on Construction Safety and Health in the Department of Labor.

(2) COMPOSITION.—The Committee is composed of nine members appointed by the Secretary, without regard to chapter 33 of title 5, as follows:

(A) Three members shall be individuals representative of contractors to whom this section applies.

(B) Three members shall be individuals representative of employees primarily in the building trades and construction industry engaged in carrying out contracts to which this section applies.

**§ 3705. Safety programs**

The Secretary of Labor shall—

(1) provide for the establishment and supervision of programs for the education and training of employers and employees in the recognition, avoidance, and prevention of unsafe working conditions in employment covered by this chapter; and

(2) collect reports and data and consult with and advise employers as to the best means of preventing injuries.

**§ 3706. Limitations, variations, tolerances, and exemptions**

The Secretary of Labor may provide reasonable limitations to, and may prescribe regulations allowing reasonable variations to, tolerances from, and exemptions from, this chapter that the Secretary may find necessary and proper in the public interest to prevent injustice or undue hardship or to avoid serious impairment of the conduct of Federal Government business.

**§ 3707. Contractor certification or contract clause in acquisition of commercial items not required**

In a contract to acquire a commercial item (as defined in section 4 of the Office of Federal Procurement Policy Act (41 U.S.C. 403)), a certification by a contractor or a contract clause may not be required to implement a prohibition or requirement in this chapter.

**§ 3708. Criminal penalties**

#### **§ 8731. Acquiring land for park, parkway, or playground purposes**

(a) AUTHORITY TO ACQUIRE LAND.—The National Capitol Planning Commission shall acquire land the Planning Commission believes is necessary and desirable in the District of Columbia and adjacent areas in Maryland and Virginia for suitable development of the National Capital park, parkway, and playground system. The acquisition must be within the limits of the appropriations made for those purposes. The Planning Commission shall request the advice of the Commission of Fine Arts in selecting land to be acquired.

(b) HOW LAND MAY BE ACQUIRED.—

(1) PURCHASE OR CONDEMNATION PROCEEDING.—The National Capital Planning Commission may buy land when the land can be acquired at a price the Planning Commission considers reasonable or by a condemnation proceeding when the land cannot be bought at a reasonable price.

(2) LAND IN THE DISTRICT OF COLUMBIA.—A condemnation proceeding to acquire land in the District of Columbia shall be conducted in accordance with section 1 of the Act of December 23, 1963 (Public Law 88–241, 77 Stat. 571).

(3) LAND IN MARYLAND OR VIRGINIA.—The Planning Commission may acquire land in Maryland or Virginia under arrangements agreed to by the Commission and the proper officials of Maryland or Virginia.

(c) CONTROL OF LAND.—

(1) LAND IN THE DISTRICT OF COLUMBIA.—Land acquired in the District of Columbia shall be a part of the park system of the District of Columbia and be under the control of the Director of the National Park Service. (2) LAND IN MARYLAND OR VIRGINIA.—Land acquired in Maryland or Virginia shall be controlled as determined by agreement between the Planning Commission and the proper officials of Maryland or Virginia.

(d) PRESIDENTIAL APPROVAL REQUIRED.—The designation of all land to be acquired by condemnation, all contracts to purchase land, and all agreements between the National Capital Planning Commission and the officials of Maryland and Virginia are subject to the approval of the President.

**§ 8732. Acquiring land subject to limited rights reserved to grantor and limited permanent rights in land adjoining park property**

(a) IN GENERAL.—The National Capital Planning Commission in accordance with this chapter may acquire, for and on behalf of the Federal Government, by gift, devise, purchase, or condemnation—

(1) fee title to land subject to limited rights, but not for business purposes, reserved to the grantor; and

(2) permanent rights in land adjoining park property sufficient to prevent the use of the land in certain specified ways which would essentially impair the value of the park property for its purposes.

(b) PREREQUISITES TO ACQUISITION.—

(1) FEE TITLE TO LAND SUBJECT TO LIMITED RIGHTS.—The reservation of rights to the grantor shall not continue beyond the life of the grantor of the fee. The Commission must decide that the perma-

1        nent public park purposes for which control over the land is needed are  
 2        not essentially impaired by the reserved rights and that there is a sub-  
 3        stantial saving in cost by acquiring the land subject to the limited  
 4        rights as compared with the cost of acquiring unencumbered title to the  
 5        land.

6        (2) PERMANENT RIGHTS IN LAND ADJOINING PARK PROPERTY.—The  
 7        Commission must decide that the protection and maintenance of the es-  
 8        sential public values of the park can be secured more economically by  
 9        acquiring the permanent rights than by acquiring the land.

10       (c) PRESIDENTIAL APPROVAL REQUIRED.—All contracts to acquire land  
 11       or rights under this section are subject to the approval of the President.

12       **§ 8733. Lease of land acquired for park, parkway, or play-**

14       The Secretary of the Interior may lease, for not more than five years,  
 15       land or an existing building or structure on land acquired for park, park-  
 16       way, or playground purposes, and may renew the lease for an additional five  
 17       years. A lease or renewal under this section is—

18       (1) subject to the approval of the National Capital Planning Com-  
 19       mission;

20       (2) subject to the need for the immediate use of the land, building,  
 21       or structure in other ways by the public; and

22       (3) on terms the Administrator decides.

23       **§ 8734. Sale of land by Mayor**

24       (a) AUTHORITY TO SELL.—With the approval of the National Capital  
 25       Planning Commission, the Mayor of the District of Columbia, for the best  
 26       interests of the District of Columbia, may sell to the highest bidder at pub-  
 27       lic or private sale real estate in the District of Columbia owned in fee simple  
 28       by the District of Columbia for municipal use that the Council of the Dis-  
 29       trict of Columbia and the Commission find to be no longer required for pub-  
 30       lic purposes.

31       (b) PAYING EXPENSES AND DEPOSITING PROCEEDS.—The Mayor—

32       (1) may pay the reasonable and necessary expenses of the sale of  
 33       each parcel of land sold; and

34       (2) shall deposit the net proceeds of each sale in the Treasury to the  
 35       credit of the District of Columbia.

36       **§ 8735. Sale of land by Secretary of the Interior**

37       (a) AUTHORITY TO SELL.—With the approval of the National Capital  
 38       Planning Commission, the Secretary of the Interior, for the best interests  
 39       of the Federal Government, may sell, by deed or instrument, real estate held  
 40       by the Government in the District of Columbia and under the jurisdiction  
 41       of the National Park Service which may be no longer needed for public pur-

poses. The land may be sold for cash or on a deferred-payment plan the Secretary approves, at a price not less than the Government paid for it and not less than its present appraised value as determined by the Secretary.

(b) SALE TO HIGHEST BIDDER.—In selling any parcel of land under this section, the Secretary shall have public or private solicitation for bids or offers be made as the Secretary considers appropriate. The Secretary shall sell the parcel to the party agreeing to pay the highest price if the price is otherwise satisfactory. If the price offered or bid by the owner of land abutting the land to be sold equals the highest price offered or bid by any other party, the parcel may be sold to the owner of the abutting land.

(c) PAYING EXPENSES AND DEPOSITING PROCEEDS.—The Secretary—

(1) may pay the reasonable and necessary expenses of the sale of each parcel of land sold; and

(2) shall deposit the net proceeds of each sale in the Treasury to the credit of the Government and the District of Columbia in the proportion that each—

(A) paid the appropriations used to acquire the parcels; or

(B) was obligated to pay the appropriations, at the time of acquisition, by reimbursement.

#### **§ 8736. Execution of deeds**

The Mayor of the District of Columbia may execute deeds of conveyance for real estate sold under this subchapter. The deeds shall contain a full description of the land sold as required by law.

#### **§ 8737. Authorization of appropriations**

An amount equal to not more than one cent for each inhabitant of the continental United States as determined by the last preceding decennial census may be appropriated each year in the District of Columbia Appropriation Act for the National Capital Planning Commission to use for the payment of its expenses and for the acquisition of land the Commission may acquire under section 8731 of this title for the purposes named, including compensation for the land, surveys, ascertainment of title, condemnation proceedings, and necessary conveyancing. The appropriated amounts shall be paid from the revenues of the District of Columbia and the general amounts of the Treasury in the same proportion as other expenses of the District of Columbia.

(1) contracting on a competitive basis with a private sector source to provide the Federal Government with an information technology solution for improving mission-related or administrative processes of the Federal Government; and

(2) paying the private sector source an amount equal to a portion of the savings derived by the Federal Government from any improvements in mission-related processes and administrative processes that result from implementation of the solution.

(b) LIMITATIONS.—The head of an executive agency authorized to carry out the pilot program may carry out one project and enter into not more than five contracts for the project under the pilot program.

(c) SELECTION OF PROJECTS.—In consultation with the Administrator for the Office of Information and Regulatory Affairs, the Administrator for Federal Procurement Policy shall select the projects.

**§ 11522. Solutions-based contracting pilot program**

(a) DEFINITION.—For purposes of this section, “solutions-based contracting” is an acquisition method under which the acquisition objectives are defined by the Federal Government user of the technology to be acquired, a streamlined contractor selection process is used, and industry sources are allowed to provide solutions that attain the objectives effectively.

(b) IN GENERAL.—The Administrator for Federal Procurement Policy may authorize the head of an executive agency, in accordance with subsection (d), to carry out a pilot program to test the feasibility of using solutions-based contracting for the acquisition of information technology.

(c) PROCESS REQUIREMENTS.—The Administrator shall require use of a process with the following aspects for acquisitions under the pilot program:

(1) ACQUISITION PLAN EMPHASIZING DESIRED RESULT.—Preparation of an acquisition plan that defines the functional requirements of the intended users of the information technology to be acquired, identifies the operational improvements to be achieved, and defines the per-

1 performance measurements to be applied in determining whether the infor-  
 2 mation technology acquired satisfies the defined requirements and at-  
 3 tains the identified results.

4 (2) RESULTS-ORIENTED STATEMENT OF WORK.—Use of a statement  
 5 of work that is limited to an expression of the end results or perform-  
 6 ance capabilities desired under the acquisition plan.

7 (3) SMALL ACQUISITION ORGANIZATION.—Assembly of a small acqui-  
 8 sition organization consisting of the following:

 10 to be evaluated and rewarded under the pilot program for con-  
 11 tributions toward attainment of the desired results identified in  
 12 the acquisition plan.

13 (B) A small source selection team composed of representatives  
 14 of the specific mission or administrative area to be supported by  
 15 the information technology to be acquired, a contracting officer,  
 16 and individuals with relevant expertise.

17 (4) USE OF SOURCE SELECTION FACTORS EMPHASIZING SOURCE  
 18 QUALIFICATIONS AND COSTS.—Use of source selection factors that  
 19 emphasize—

20 (A) the qualifications of the offeror, including personnel skills,  
 21 previous experience in providing other private or public sector or-  
 22 ganizations with solutions for attaining objectives similar to the  
 23 objectives of the acquisition, past contract performance, qualifica-  
 24 tions of the proposed program manager, and the proposed man-  
 25 agement plan; and

26 (B) the costs likely to be associated with the conceptual ap-  
 27 proach proposed by the offeror.

 29 availability of the following information to potential offerors:

30 (A) The agency mission to be served by the acquisition.

 32 tion technology.

33 (C) The process improvements to be attained.

34 (6) SIMPLE SOLICITATION.—Use of a simple solicitation that sets  
 35 forth only the functional work description, the source selection factors

 37 conditions, instructions regarding submission of offers, and the esti-  
 38 mate of the Government's budget for the desired work.

39 (7) SIMPLE PROPOSALS.—Submission of oral presentations and writ-  
 40 ten proposals that are limited in size and scope and contain informa-

- 1 (A) the offeror's qualifications to perform the desired work;
- 2 (B) past contract performance;
- 3 (C) the proposed conceptual approach; and
- 4 (D) the costs likely to be associated with the proposed concep-
- 5 tual approach.

6 (8) SIMPLE EVALUATION.—Use of a simplified evaluation process, to  
 7 be completed within 45 days after receipt of proposals, that consists  
 8 of the following:

9 (A) Identification of the most qualified offerors that are within  
 10 the competitive range.

11 (B) Issuance of invitations for at least three and not more than  
 12 five of the identified offerors to make oral presentations to, and  
 13 engage in discussions with, the evaluating personnel regarding, for  
 14 each offeror—

15 (i) the qualifications of the offeror, including how the quali-  
 16 fications of the offeror relate to the approach proposed to be  
 17 taken by the offeror in the acquisition; and

18 (ii) the costs likely to be associated with the approach.

19 (C) Evaluation of the qualifications of the identified offerors  
 20 and the costs likely to be associated with the offerors' proposals

 27 written proposals, submitted in accordance with paragraph (7).

28 (B) A program definition phase of 30–60 days (or a longer pe-  
 29 riod the Administrator approves)—

30 (i) during which the sources identified under subparagraph  
 31 (A), in consultation with one or more intended users, develop  
 32 a conceptual system design and technical approach, define  
 33 logical phases for the project, and estimate the total cost and  
 34 the cost for each phase; and

35 (ii) after which a contract for performance of the work may  
 36 be awarded to the source whose offer is determined to be  
 37 most advantageous to the Government on the basis of cost,

### 30 **§ 11701. On-line multiple award schedule contracting**

31 (a) AUTOMATION OF MULTIPLE AWARD SCHEDULE CONTRACTING.—To  
32 provide for the economic and efficient procurement of information tech-  
33 nology and other commercial items, the Administrator of General Services  
34 shall provide Federal Government-wide on-line computer access to informa-  
35 tion on products and services that are available for ordering through the  
36 multiple award schedules.

(b) REQUIREMENTS.—The system for providing on-line computer access shall—

(1) have the capability to—

(A) provide basic information on prices, features, and performance of all products and services available for ordering through the multiple award schedules;

(B) provide for updating that information to reflect changes in prices, features, and performance as soon as information on the changes becomes available; and

(C) enable users to make on-line computer comparisons of the prices, features, and performance of similar products and services offered by various vendors; and

(2) be used to place orders under the multiple award schedules in a fiscal year for an amount equal to at least 60 percent of the total amount spent for all orders under the multiple award schedules in that fiscal year.

(c) STREAMLINED PROCEDURES.—

(1) PILOT PROGRAM.—On certification by the Administrator of General Services that the system for providing on-line computer access meets the requirements of subsection (b)(1) and was used as required by subsection (b)(2) in the fiscal year preceding the fiscal year in which the certification is made, the Administrator for Federal Procurement Policy may establish a pilot program to test streamlined procedures for the procurement of information technology products and services available for ordering through the multiple award schedules.

(2) APPLICABILITY TO MULTIPLE AWARD SCHEDULE CONTRACTS.—Except as provided in paragraph (4), the pilot program shall be applicable to all multiple award schedule contracts for the purchase of information technology and shall test the following procedures:

(A) A procedure under which negotiation of the terms and conditions for a covered multiple award schedule contract is limited to terms and conditions other than price.

(B) A procedure under which the vendor establishes the prices under a covered multiple award schedule contract and may adjust those prices at any time in the discretion of the vendor.

(C) A procedure under which a covered multiple award schedule contract is awarded to any responsible offeror that—

(i) has a suitable record of past performance, which may include past performance on multiple award schedule contracts;

(ii) agrees to terms and conditions that the Administrator for Federal Procurement Policy determines are required by law or are appropriate for the purchase of commercial items; and

(iii) agrees to establish and update prices, features, and performance and to accept orders electronically through the automated system established pursuant to subsection (a).

(3) COMPTROLLER GENERAL REVIEW AND REPORT.—

(A) AUTHORITY TO CONDUCT REVIEW AND MAKE REPORT.—

Not later than three years after the date on which the pilot program is established, the Comptroller General shall review the pilot program and report to Congress on the results of the pilot program.

(B) CONTENT OF REPORT.—The report shall include the following:

(i) An evaluation of the extent to which there is competition for the orders placed under the pilot program.

(ii) The effect that the streamlined procedures under the pilot program have on prices charged under multiple award schedule contracts.

(iii) The effect that those procedures have on paperwork requirements for multiple award schedule contracts and orders.

(iv) The impact of the pilot program on small businesses and socially and economically disadvantaged small businesses.

(4) WITHDRAWAL OF SCHEDULE OR PORTION OF SCHEDULE FROM PILOT PROGRAM.—

(A) WHEN ALLOWED.—The Administrator for Federal Procurement Policy may withdraw a multiple award schedule or portion of a schedule from the pilot program if the Administrator determines that—

(i) price competition is not available under that schedule or portion of that schedule; or

(ii) the cost to the Government for that schedule or portion for the previous year was higher than it would have been if the contract for that schedule or portion had been awarded using procedures that would apply if the pilot program were not in effect.

(B) NOTICE.—The Administrator for Federal Procurement Policy shall notify Congress at least 30 days before the date on which

the Administrator withdraws a schedule or portion under this paragraph.

(C) AUTHORITY NOT DELEGABLE.—The authority under this paragraph may not be delegated.

(5) TERMINATION OF PILOT PROGRAM.—Unless reauthorized by law, the authority of the Administrator for Federal Procurement Policy to award contracts under the pilot program shall expire four years after the date on which the pilot program is established. A contract entered into before the authority expires remains in effect according to the terms of the contract after the expiration of the authority to award new contracts under the pilot program.

## **§ 11702. Identification of excess and surplus computer equipment**

In accordance with chapter 5 of this title, the head of an executive agency shall maintain an inventory of all computer equipment under the control of that official that is excess or surplus property.

## **§ 11703. Index of certain information in information systems included in directory established under section 4101 of title 44**

If in designing an information technology system pursuant to this subtitle, the head of an executive agency determines that a purpose of the system is to disseminate information to the public, then the head of that executive agency shall reasonably ensure that an index of information disseminated by the system is included in the directory created pursuant to section 4101 of title 44. This section does not authorize the dissemination of information to the public unless otherwise authorized.

## **§ 11704. Procurement procedures**

To the maximum extent practicable, the Federal Acquisition Regulatory Council shall ensure that the process for acquisition of information technology is a simplified, clear, and understandable process that specifically addresses the management of risk, incremental acquisitions, and the need to incorporate commercial information technology in a timely manner.

CHAPTER	Sec.
141. GENERAL PROVISIONS .....	14101
143. APPALACHIAN REGIONAL COMMISSION .....	14301
145. SPECIAL APPALACHIAN PROGRAMS .....	14501
147. MISCELLANEOUS .....	14701

## **CHAPTER 141—GENERAL PROVISIONS**

Sec.
14101. Findings and purposes.
14102. Definitions.

1   **§ 14101. Findings and purposes**

2       (a) 1965 FINDINGS AND PURPOSE.—

3           (1) FINDINGS.—Congress finds and declares that the Appalachian  
4       region of the United States, while abundant in natural resources and  
5       rich in potential, lags behind the rest of the Nation in its economic  
6       growth and that its people have not shared properly in the Nation's  
7       prosperity. The region's uneven past development, with its historical re-  
8       liance on a few basic industries and a marginal agriculture, has failed  
9       to provide the economic base that is a vital prerequisite for vigorous,  
10      self-sustaining growth. State and local governments and the people of  
11      the region understand their problems and have been working, and will  
12      continue to work, purposefully toward their solution. Congress recog-  
13      nizes the comprehensive report of the President's Appalachian Regional  
14      Commission documenting these findings and concludes that regionwide  
15      development is feasible, desirable, and urgently needed.

16          (2) PURPOSE.—It is the purpose of this subtitle to assist the region  
17      in meeting its special problems, to promote its economic development,  
18      and to establish a framework for joint federal and state efforts toward  
19      providing the basic facilities essential to its growth and attacking its  
20      common problems and meeting its common needs on a coordinated and  
21      concerted regional basis. The public investments made in the region  
22      under this subtitle shall be concentrated in areas where there is a sig-  
23      nificant potential for future growth and where the expected return on  
24      public dollars invested will be the greatest. States will be responsible  
25      for recommending local and state projects within their borders that will  
26      receive assistance under this subtitle. As the region obtains the needed  
27      physical and transportation facilities and develops its human resources,  
28      Congress expects that the region will generate a diversified industry  
29      and that the region will then be able to support itself through the  
30      workings of a strengthened free enterprise economy.

31      (b) 1975 FINDINGS AND PURPOSE.—

32          (1) FINDINGS.—Congress further finds and declares that while sub-  
33      stantial progress has been made toward achieving the purposes set out  
34      in subsection (a), especially with respect to the provision of essential  
35      public facilities, much remains to be accomplished, especially with re-  
36      spect to the provision of essential health, education, and other public  
37      services. Congress recognizes that changes and evolving national pur-  
38      poses in the decade since 1965 affect not only the Appalachian region  
39      but also its relationship to a nation that on December 31, 1975, is as-  
40      signing higher priority to conservation and the quality of life, values  
41      long cherished within the region. Appalachia as of December 31, 1975,

has the opportunity, in accommodating future growth and development, to demonstrate local leadership and coordinated planning so that housing, public services, transportation and other community facilities will be provided in a way congenial to the traditions and beauty of the region and compatible with conservation values and an enhanced quality of life for the people of the region, and consistent with that goal, the Appalachian region should be able to take advantage of eco-industrial development, which promotes both employment and economic growth and the preservation of natural resources. Congress recognizes also that fundamental changes are occurring in national energy requirements and production, which not only risk short-term dislocations but will undoubtedly result in major long-term effects in the region. It is essential that the opportunities for expanded energy production be used so as to maximize the social and economic benefits and minimize the social and environmental costs to the region and its people.

(2) PURPOSE.—It is also the purpose of this subtitle to provide a framework for coordinating federal, state and local efforts toward—

(A) anticipating the effects of alternative energy policies and practices;

(B) planning for accompanying growth and change so as to maximize the social and economic benefits and minimize the social and environmental costs; and

(C) implementing programs and projects carried out in the region by federal, state, and local governmental agencies so as to better meet the special problems generated in the region by the Nation's energy needs and policies, including problems of transportation, housing, community facilities, and human services.

(c) 1998 FINDINGS AND PURPOSE.—

(1) FINDINGS.—Congress further finds and declares that while substantial progress has been made in fulfilling many of the objectives of this subtitle, rapidly changing national and global economies over the decade ending November 13, 1998, have created new problems and challenges for rural areas throughout the United States and especially for the Appalachian region.

(2) PURPOSE.—In addition to the purposes stated in subsections (a) and (b), it is the purpose of this subtitle—

(A) to assist the Appalachian region in—

(i) providing the infrastructure necessary for economic and human resource development;

(ii) developing the region's industry;

(iii) building entrepreneurial communities;

- (iv) generating a diversified regional economy; and
- (v) making the region's industrial and commercial resources more competitive in national and world markets;
- (B) to provide a framework for coordinating federal, state, and local initiatives to respond to the economic competitiveness challenges in the Appalachian region through—
  - (i) improving the skills of the region's workforce;
  - (ii) adapting and applying new technologies for the region's businesses, including eco-industrial development technologies; and
  - (iii) improving the access of the region's businesses to the technical and financial resources necessary to development of the businesses; and
- (C) to address the needs of severely and persistently distressed areas of the Appalachian region and focus special attention on the areas of greatest need so as to provide a fairer opportunity for the people of the region to share the quality of life generally enjoyed by citizens across the United States.

22 (1) LIMITATION ON AVAILABLE AMOUNTS.—A loan under subsection

(d) SOURCES OF ASSISTANCE.—Assistance under this section may be provided entirely from amounts made available to carry out this section, in combination with amounts made available under other federal programs, or from any other source.

#### **§ 14507. Supplements to federal grant programs**

(a) DEFINITION.—

(1) FEDERAL GRANT PROGRAMS.—In this section, the term “federal grant programs”—

(A) means any federal grant program that provides assistance for the acquisition or development of land, the construction or equipment of facilities, or other community or economic development or economic adjustment activities, including a federal grant program authorized by—

(ii) any other program to the extent that financial assistance other than a grant is authorized.

(2) CERTAIN SEWAGE TREATMENT WORKS DEEMED CONSTRUCTED WITH FEDERAL GRANT ASSISTANCE.—For the purpose of this section, any sewage treatment works constructed pursuant to title II of the Federal Water Pollution Control Act (33 U.S.C. 1281 et seq.) (known as the Clean Water Act) without federal grant assistance under that title is deemed to be constructed with that assistance.

(b) PURPOSE.—To enable the people, States, and local communities of the Appalachian region, including local development districts, to take maximum advantage of federal grant programs for which they are eligible but for which, because of their economic situation, they cannot supply the required matching share, or for which there are insufficient amounts available under the federal law authorizing the programs to meet pressing needs of the region, the Federal Cochairman may use amounts made available to carry out this section—

(1) for any part of the basic federal contribution to projects or activities under the federal grant programs authorized by federal laws; and

(2) to increase the federal contribution to projects and activities under the programs above the fixed maximum part of the cost of the projects or activities otherwise authorized by the applicable law.

(c) CERTIFICATION REQUIRED.—For a program, project, or activity for which any part of the basic federal contribution to the project or activity under a federal grant program is proposed to be made under subsection (b), the contribution shall not be made until the responsible federal official administering the federal law authorizing the contribution certifies that the program, project, or activity meets the applicable requirements of the federal law and could be approved for federal contribution under that law if amounts were available under the law for the program, project, or activity.

(d) LIMITATIONS IN OTHER LAWS INAPPLICABLE.—Amounts provided pursuant to this subtitle are available without regard to any limitations on

1 areas eligible for assistance or authorizations for appropriation in any other  
2 law.

3 (e) ACCEPTANCE OF CERTAIN MATERIAL.—For a supplemental grant for  
4 a project or activity under a federal grant program, the Federal Cochairman

7 the Federal Government responsible for the administration of the program.

8 (f) FEDERAL SHARE.—The federal portion of the cost of a project or ac-

14 (1) IN GENERAL.—Subject to paragraph (2), the Commission may  
15 contribute not more than 50 percent of a project or activity cost eligible  
16 for financial assistance under this section from amounts appropriated  
17 to carry out this subtitle.

19 tion for a project or activity to be carried out in a county for which  
20 a distressed county designation is in effect under section 14526 of this  
21 title may be increased to 80 percent.

## 22 SUBCHAPTER II—ADMINISTRATIVE

### 23 § 14521. Required level of expenditure

24 A State or political subdivision of a State is not eligible to receive benefits  
25 under this subtitle unless the aggregate expenditure of state amounts, ex-  
26 cept expenditures for participation in the Dwight D. Eisenhower System of  
27 Interstate and Defense Highways and local and federal amounts, for the  
28 benefit of the area within the State located in the Appalachian region is  
29 maintained at a level which does not fall below the average level of those  
30 expenditures for the State's last two full fiscal years prior to March 9,  
31 1965. In computing the level, a State's past expenditure for participation  
32 in the Dwight D. Eisenhower System of Interstate and Defense Highways  
33 and expenditures of local and federal amounts shall not be included. The  
34 Commission shall recommend to the President a lesser requirement when it  
35 finds that a substantial population decrease in that part of a State which  
36 lies within the region would not justify a state expenditure equal to the av-  
37 erage level of the last two years or when it finds that a State's average level  
38 of expenditure in an individual program has been disproportionate to the  
39 present need for that part of the State.

1   **§ 14522. Consent of States**

2       This subtitle does not require a State to engage in or accept a program  
3       under this subtitle without its consent.

4   **§ 14523. Program implementation**

5       (a) REQUIREMENTS.—A program or project authorized under this chapter  
6       shall not be implemented until—

7           (1) the responsible federal official has decided that applications and  
8           plans relating to the program or project are not incompatible with the  
9           provisions and objectives of federal laws that the official administers  
10          that are not inconsistent with this subtitle; and

11          (2) the Appalachian Regional Commission has approved the program  
12          or project and has determined that it—

13           (A) meets the applicable criteria under section 14524 of this  
14           title and the requirements of the development planning process  
15           under section 14525 of this title; and

16           (B) will contribute to the development of the Appalachian re-  
17          gion.

18       (b) DECISION IS CONTROLLING.—A decision under subsection (a)(2) is  
19       controlling and shall be accepted by the federal agencies.

20   **§ 14524. Program development criteria**

21       (a) FACTORS TO BE CONSIDERED.—In considering programs and  
22       projects to be given assistance under this subtitle, and in establishing a pri-  
23       ority ranking of the requests for assistance presented to the Appalachian  
24       Regional Commission, the Commission shall follow procedures that will en-  
25       sure consideration of—

26           (1) the relationship of the project or class of projects to overall re-  
27           gional development, including its location in a severely and persistently  
28           distressed county or area;

29           (2) the population and area to be served by the project or class of  
30           projects, including the per capita market income and the unemploy-  
31           ment rates in the area;

32           (3) the relative financial resources available to the State or political  
33           subdivisions or instrumentalities of the State that seek to undertake  
34           the project;

35           (4) the importance of the project or class of projects in relation to  
36           other projects or classes of projects that may be in competition for the  
37           same amounts;

38           (5) the prospects that the project for which assistance is sought will  
39           improve, on a continuing rather than a temporary basis, the opportuni-  
40           ties for employment, the average level of income, or the economic and  
41           social development of the area served by the project; and

1 (6) the extent to which the project design provides for detailed out-  
 2 come measurements by which grant expenditures may be evaluated.

3 (b) LIMITATION ON USE.—Financial assistance made available under this  
 4 subtitle shall not be used to assist establishments relocating from one area  
 5 to another.

6 (c) DETERMINATION REQUIRED BEFORE AMOUNTS MAY BE PRO-  
 7 VIDED.—Amounts may be provided for programs and projects in a State  
 8 under this subtitle only if the Commission determines that the level of fed-  
 9 eral and state financial assistance under other laws for the same type of  
 10 programs or projects in that part of the State within the Appalachian region  
 11 will not be diminished in order to substitute amounts authorized by this  
 12 subtitle.

13 (d) MINIMUM AMOUNT OF ASSISTANCE TO DISTRESSED COUNTIES AND  
 14 AREAS.—For each fiscal year, not less than 50 percent of the amount of  
 15 grant expenditures the Commission approves shall support activities or  
 16 projects that benefit severely and persistently distressed counties and areas.

17 **§ 14525. State development planning process**

18 (a) STATE DEVELOPMENT PLAN.—Pursuant to policies the Appalachian  
 19 Regional Commission establishes, each state member shall submit a develop-  
 20 ment plan for the area of the State within the Appalachian region. The plan  
 21 shall—

22 (1) be submitted according to a schedule the Commission prescribes;

23 (2) reflect the goals, objectives, and priorities identified in the re-  
 24 gional development plan and in any subregional development plan that  
 25 may be approved for the subregion of which the State is a part;

26 (3) describe the state organization and continuous process for Appa-  
 27 lachian development planning, including—

28 (A) the procedures established by the State for the participation  
 29 of local development districts in the process;

30 (B) how the process is related to overall statewide planning and  
 31 budgeting processes; and

32 (C) the method of coordinating planning and projects in the re-  
 33 gion under this subtitle, the Public Works and Economic Develop-  
 34 ment Act of 1965 (42 U.S.C. 3121 et seq.), and other federal,  
 35 state, and local programs;

36 (4) set forth the goals, objectives, and priorities of the State for the  
 37 region, as established by the Governor, and identify the needs on which  
 38 the goals, objectives, and priorities are based; and

39 (5) describe the development strategies for achieving the goals, objec-  
 40 tives, and priorities, including funding sources, and recommendations  
 41 for specific projects to receive assistance under this subtitle.

(b) AREAWIDE ACTION PROGRAMS.—The Commission shall encourage the preparation and execution of areawide action programs that specify inter-related projects and schedules of actions, the necessary agency funding, and other commitments to implement the programs. The programs shall make appropriate use of existing plans affecting the area.

(c) LOCAL DEVELOPMENT DISTRICTS.—Local development districts certified by the State as described in section 14102(a)(2) of this title provide the linkage between state and substate planning and development. The districts shall assist the States in the coordination of areawide programs and projects and may prepare and adopt areawide plans or action programs. In carrying out the development planning process, including the selection of programs and projects for assistance, States shall consult with local development districts, local units of government, and citizen groups and shall consider the goals, objectives, priorities, and recommendations of those bodies.

(d) FEDERAL RESPONSIBILITIES.—To the maximum extent practicable, federal departments, agencies, and instrumentalities undertaking or providing financial assistance for programs or projects in the region shall—

(1) take into account the policies, goals, and objectives the Commission and its member States establish pursuant to this subtitle;

(2) recognize Appalachian state development strategies approved by the Commission as satisfying requirements for overall economic development planning under the programs or projects; and

(3) accept the boundaries and organization of any local development district certified under this subtitle that the Governor may designate as the areawide agency required under any of those programs undertaken or assisted by those federal departments, agencies, and instrumentalities.

## **§ 14526. Distressed and economically strong counties**

(a) DESIGNATIONS.—

(1) IN GENERAL.—The Appalachian Regional Commission, in accordance with criteria the Commission may establish, each year shall—

(A) designate as “distressed counties” those counties in the Appalachian region that are the most severely and persistently distressed; and

(B) designate two categories of economically strong counties, consisting of—

(i) “competitive counties”, which shall be those counties in the region that are approaching economic parity with the rest of the United States; and

1 (ii) “attainment counties”, which shall be those counties in  
 2 the region that have attained or exceeded economic parity  
 3 with the rest of the United States.

4 (2) ANNUAL REVIEW OF DESIGNATIONS.—The Commission shall—

5 (A) conduct an annual review of each designation of a county  
 6 under paragraph (1) to determine if the county still meets the cri-  
 7 teria for the designation; and

8 (B) renew the designation for another one-year period only if  
 9 the county still meets the criteria.

10 (b) DISTRESSED COUNTIES.—In program and project development and  
 11 implementation and in the allocation of appropriations made available to  
 12 carry out this subtitle, the Commission shall give special consideration to  
 13 the needs of counties for which a distressed county designation is in effect  
 14 under this section.

15 (c) ECONOMICALLY STRONG COUNTIES.—

16 (1) COMPETITIVE COUNTIES.—Except as provided in paragraphs (3)  
 17 and (4), assistance under this subtitle for a project that is carried out  
 18 in a county for which a competitive county designation is in effect  
 19 under this section shall not be more than 30 percent of the project  
 20 cost.

21 (2) ATTAINMENT COUNTIES.—Except as provided in paragraphs (3)  
 22 and (4), amounts may not be provided under this subtitle for a project  
 23 that is carried out in a county for which an attainment county designa-  
 24 tion is in effect under this section.

32 (i) at least one of the participating counties is designated  
 33 as a distressed county under this section; and

34 (ii) the project will be of substantial direct benefit to at  
 35 least one distressed county.

36 (4) WAIVER.—

37 (A) IN GENERAL.—The Commission may waive the require-  
 38 ments of paragraphs (1) and (2) for a project when the recipient  
 39 of assistance for the project shows the existence of any of the fol-  
 40 lowing:

(i) a significant pocket of distress in the part of the county in which the project is carried out.

(ii) a significant potential benefit from the project in at least one area of the region outside the designated county.

(B) REPORTS TO CONGRESS.—The Commission shall submit to the Committee on Environment and Public Works of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives an annual report describing each waiver granted under subparagraph (A) during the period covered by the report.

18 the executive department, independent establishment, agency, officer,  
19 employee, or other accountable person making the claim, the Secretary  
20 shall—

10      document—

11          (1) received by the Government or an agent of the Government in  
12          the agent’s official capacity; and

28      as specifically authorized by the Secretary of the Treasury. The Secretary  
29      may give the authorization if the Secretary finds that the risk of loss, de-  
30      struction, or damage in the shipment cannot be guarded against adequately  
31      by the facilities of the Federal Government or that adequate replacement  
32      cannot be provided under this chapter.

33   **§ 17308. Presumption of lawful conduct**

34      For purposes of the propriety of an act or omission related to a shipment

25       (a) ACTIONS BY PRESIDENT REQUIRED.—The President shall establish,  
26 for each executive agency, goals to reduce outlays for the operation, mainte-

16   vehicles used by line agency personnel working in agency field operations  
17   or activities.

18       (b) REGULATIONS, STANDARDS, AND DEFINITIONS.—The President shall  
19   require the Administrator of General Services, in cooperation with the Di-

### **CHAPTER 179—ALASKA FEDERAL-CIVILIAN ENERGY EFFICIENCY SWAP**

Sec.

17901. Definitions.

17902. Sale of electric energy.

17903. Purchase of electric power.

17904. Implementation powers and limitations.

#### **§ 17901. Definitions**

In this chapter, the following definitions apply:

(1) FEDERAL AGENCY.—The term “federal agency” means a department, agency, or instrumentality of the Federal Government.

(2) FEDERALLY GENERATED ELECTRIC ENERGY.—The term “federally generated electric energy” means any electric power generated by an electric generating facility owned and operated by a federal agency.

(3) NON-FEDERAL PERSON.—The term “non-federal person” means a corporation, cooperative, municipality, or other non-federal entity that generates electric energy through a facility other than a federally owned electric generating facility.

#### **§ 17902. Sale of electric energy**

(a) IN GENERAL.—To conserve oil and natural gas and better utilize coal, the head of a federal agency may sell, or enter into a contract to sell, to any non-federal person electric energy generated by coal-fired electric generating facilities of that agency in Alaska without regard to any provision of law that precludes the sale when the electric energy to be sold is available from other local sources, if the head of the federal agency determines that—

(1) the electric energy to be sold is generated by an existing coal-fired generating facility;

(2) the electric energy to be sold is surplus to the federal agency’s needs and is in excess of the electric energy specifically generated for consumption by, or necessary to serve the requirements of, another federal agency;

(3) the cost to the ultimate consumers of the electric energy to be sold is less than the cost that, in the absence of the sale, would be incurred by those consumers for the purchase of an equivalent amount of energy; and

(4) the sale will reduce the total consumption of oil or natural gas by the non-federal person purchasing the electric energy below the level of consumption that would occur in the absence of the sale.

(b) PRICING POLICIES.—Federally generated electric energy sold by the head of a federal agency under subsection (a) shall be priced to recover the fuel and variable operation and maintenance costs of the facility generating the energy that are attributable to that sale, plus an amount equal to one-half the difference between—

(1) the costs of producing the electric energy by coal generation; and

(2) the costs of producing electric energy by the oil or gas generation being displaced.

#### **§ 17903. Purchase of electric power**

For purposes of economy, efficiency, and conserving oil and natural gas, the head of a federal agency, when practicable and consistent with other laws and requirements applicable to that agency, shall endeavor to purchase

electric energy from a non-federal person for consumption in Alaska by a facility of that agency when (taking into account the remaining useful life of any facility available to that agency to generate electric energy for that agency and the cost of maintaining the facility on a standby basis) the purchase will result in—

(1) a savings to other consumers of electric energy sold by that non-federal person without increasing the cost incurred by any federal agency for electric energy; or

(2) a cost savings to the federal agency purchasing the electric energy without increasing costs to other consumers of electric energy.

#### **§ 17904. Implementation powers and limitations**

(a) ACCOMMODATION OF NEEDS FOR ELECTRIC ENERGY.—This chapter does not require or authorize a federal agency to construct a new electric generating facility or related facility, to modify an existing facility, or to employ reserve or standby equipment to accommodate the needs of a non-federal person for electric energy.

(b) AVAILABILITY OF REVENUE FROM SALES.—Revenue received by a federal agency pursuant to section 17902 of this title from the sale of electric energy generated from a facility of that agency is available to the agency without fiscal year limitation to purchase fuel and for operation, maintenance, and other costs associated with that facility.

(c) EXERCISE OF AUTHORITIES.—The authority under this chapter shall be exercised for those periods and pursuant to terms and conditions that the head of the federal agency concerned decides are necessary consistent with—

(1) this chapter; and

(2) responsibilities of the head of the federal agency under other law.

(d) NEGOTIATION AND EXECUTION OF CONTRACTS AND OTHER AGREEMENTS.—A contract or other agreement executed under this chapter shall be negotiated and executed by the head of the federal agency selling or purchasing electric energy under this chapter.

18303. Standards for arbitrators.

18304. Procedures for enforcement of awards.

8   **§ 18301. Findings and purposes**

9       (a) FINDINGS.—Congress finds that—

10       (1) affordable public transportation is essential to the economic vital-  
11       ity of the national capital area and is an essential component of re-  
12       gional efforts to improve air quality to meet environmental require-  
13       ments and to improve the health of both residents of and visitors to  
14       the national capital area as well as to preserve the beauty and dignity  
15       of the Nation's capital;

16       (2) use of mass transit by both residents of and visitors to the na-  
17       tional capital area is substantially affected by the prices charged for  
18       mass transit services, prices that are substantially affected by labor  
19       costs, since more than two-thirds of operating costs are attributable to  
20       labor costs;

21       (3) labor costs incurred in providing mass transit in the national  
22       capital area have increased at an alarming rate and wages and benefits  
23       of operators and mechanics currently are among the highest in the Na-  
24       tion;

25       (4) higher operating costs incurred for public transit in the national  
26       capital area cannot be offset by increasing costs to patrons, since this  
27       often discourages ridership and thus undermines the public interest in  
28       promoting the use of public transit;

29       (5) spiraling labor costs cannot be offset by the governmental enti-  
30       ties that are responsible for subsidy payments for public transit serv-  
31       ices since local governments generally, and the District of Columbia  
32       government in particular, are operating under severe fiscal constraints;

33       (6) imposition of mandatory standards applicable to arbitrators re-  
34       solving arbitration disputes involving interstate compact agencies oper-  
35       ating in the national capital area will ensure that wage increases are  
36       justified and do not exceed the ability of transit patrons and taxpayers  
37       to fund the increase; and

1 (7) federal legislation is necessary under section 8 of Article I of the  
 2 United States Constitution to balance the need to moderate and lower  
 3 labor costs while maintaining industrial peace.

4 (b) PURPOSE.—The purpose of this chapter is to adopt standards gov-  
 5 erning arbitration that must be applied by arbitrators resolving disputes in-  
 6 volving interstate compact agencies operating in the national capital area in  
 7 order to lower operating costs for public transportation in the Washington  
 8 metropolitan area.

9 **§ 18302. Definitions**

10 In this chapter, the following definitions apply:

11 (1) ARBITRATION.—The term “arbitration”—

12 (A) means the arbitration of disputes, regarding the terms and  
 13 conditions of employment, that is required under an interstate  
 14 compact governing an interstate compact agency operating in the  
 15 national capital area; but

16 (B) does not include the interpretation and application of rights  
 17 arising from an existing collective bargaining agreement.

18 (2) ARBITRATOR.—The term “arbitrator” refers to either a single  
 19 arbitrator, or a board of arbitrators, chosen under applicable proce-  
 20 dures.

21 (3) INTERSTATE COMPACT AGENCY OPERATING IN THE NATIONAL  
 22 CAPITAL AREA.—The term “interstate compact agency operating in the  
 23 national capital area” means any interstate compact agency that pro-  
 24 vides public transit services and that was established by an interstate  
 25 compact to which the District of Columbia is a signatory.

26 **§ 18303. Standards for arbitrators**

27 (a) DEFINITION.—In this section, the term “public welfare” includes,  
 28 with respect to arbitration under an interstate compact—

29 (1) the financial ability of the individual jurisdictions participating  
 30 in the compact to pay for the costs of providing public transit services;  
 31 and

32 (2) the average per capita tax burden, during the term of the collec-  
 33 tive bargaining agreement to which the arbitration relates, of the resi-  
 34 dents of the Washington metropolitan area, and the effect of an arbi-  
 35 tration award rendered under that arbitration on the respective income  
 36 or property tax rates of the jurisdictions that provide subsidy payments  
 37 to the interstate compact agency established under the compact.

38 (b) FACTORS IN MAKING ARBITRATION AWARD.—An arbitrator rendering  
 39 an arbitration award involving the employees of an interstate compact agen-  
 40 cy operating in the national capital area may not make a finding or a deci-

sion for inclusion in a collective bargaining agreement governing conditions of employment without considering the following factors:

(1) The existing terms and conditions of employment of the employees in the bargaining unit.

(2) All available financial resources of the interstate compact agency.

(3) The annual increase or decrease in consumer prices for goods and services as reflected in the most recent consumer price index for the Washington metropolitan area, published by the Bureau of Labor Statistics.

(4) The wages, benefits, and terms and conditions of the employment of other employees who perform, in other jurisdictions in the Washington standard metropolitan statistical area, services similar to those in the bargaining unit.

(5) The special nature of the work performed by the employees in the bargaining unit, including any hazards or the relative ease of employment, physical requirements, educational qualifications, job training and skills, shift assignments, and the demands placed upon the employees as compared to other employees of the interstate compact agency.

(6) The interests and welfare of the employees in the bargaining unit, including—

(A) the overall compensation presently received by the employees, having regard not only for wage rates but also for wages for time not worked, including vacations, holidays, and other excused absences;

(B) all benefits received by the employees, including previous bonuses, insurance, and pensions; and

(C) the continuity and stability of employment.

(7) The public welfare.

(c) ABILITY TO FINANCE SALARIES AND BENEFITS PROVIDED IN AWARD.—An arbitrator rendering an arbitration award involving the employees of an interstate compact agency operating in the national capital area may not, with respect to a collective bargaining agreement governing conditions of employment, provide for salaries and other benefits that exceed the ability of the interstate compact agency, or of any governmental jurisdiction that provides subsidy payments or budgetary assistance to the interstate compact agency, to obtain the necessary financial resources to pay for wage and benefit increases for employees of the interstate compact agency.

(d) REQUIREMENTS FOR FINAL AWARD.—

(1) WRITTEN AWARD.—In resolving a dispute submitted to arbitration involving the employees of an interstate compact agency operating in the national capital area, the arbitrator shall issue a written award

that demonstrates that all the factors set forth in subsections (b) and (c) have been considered and applied.

(2) PREREQUISITES.—An award may grant an increase in pay rates or benefits (including insurance and pension benefits), or reduce hours of work, only if the arbitrator concludes that any costs to the agency do not adversely affect the public welfare.

(3) SUBSTANTIAL EVIDENCE.—The arbitrator’s conclusion regarding the public welfare must be supported by substantial evidence.

#### **§ 18304. Procedures for enforcement of awards**

(a) MODIFICATIONS AND FINALITY OF AWARD.—Within 10 days after the parties receive an arbitration award to which section 18303 of this title applies, the interstate compact agency and the employees, through their representative, may agree in writing on any modifications to the award. After the end of that 10-day period, the award, and any modifications, become binding on the interstate compact agency, the employees in the bargaining unit, and the employees’ representative.

(b) IMPLEMENTATION.—Each party to an award that becomes binding under subsection (a) shall take all actions necessary to implement the award.

(c) JUDICIAL REVIEW.—Within 60 days after an award becomes binding under subsection (a), the interstate compact agency or the exclusive representative of the employees concerned may bring a civil action in a court that has jurisdiction over the interstate compact agency for review of the award. The court shall review the award on the record, and shall vacate the award or any part of the award, after notice and a hearing, if—

(1) the award is in violation of applicable law;

(2) the arbitrator exceeded the arbitrator’s powers;

(3) the decision by the arbitrator is arbitrary or capricious;

(4) the arbitrator conducted the hearing contrary to the provisions of this chapter or other laws or rules that apply to the arbitration so as to substantially prejudice the rights of a party;

(5) there was partiality or misconduct by the arbitrator prejudicing the rights of a party;

(6) the award was procured by corruption, fraud, or bias on the part of the arbitrator; or

(7) the arbitrator did not comply with the provisions of section 18303 of this title.

9 **SEC. 5. LEGISLATIVE PURPOSE AND CONSTRUCTION.**

10 (a) PURPOSE.—The purpose of this Act is to revise, codify, and enact  
11 without substantive change the general and permanent laws of the United  
12 States related to public buildings, property, and works, in order to remove  
13 ambiguities, contradictions, and other imperfections and to repeal obsolete,  
14 superfluous, and superseded provisions.

15 (b) NO SUBSTANTIVE CHANGE.—

16 (1) IN GENERAL.—This Act makes no substantive change in existing  
17 law and may not be construed as making a substantive change in exist-  
18 ing law.

19 (2) DEEMED DATE OF ENACTMENT FOR CERTAIN PURPOSES.—For  
20 purposes of determining whether one provision of law supersedes an-  
21 other based on enactment later in time, and otherwise to ensure that  
22 this Act makes no substantive change in existing law, the date of enact-  
23 ment of a provision restated in section 1 or 2 of this Act is deemed  
24 to remain unchanged, continuing to be the date of enactment of the  
25 underlying provision of public law that is being restated.

26 (3) INCONSISTENT LAWS ENACTED AFTER MARCH 31, 2002.—This  
27 Act restates certain laws enacted before April 1, 2002. Any law enacted  
28 after March 31, 2002, that is inconsistent with this Act, including any  
29 law purporting to amend or repeal a provision that is repealed by this  
30 Act, supersedes this Act to the extent of the inconsistency.

31 (c) REFERENCES.—A reference to a law replaced by section 1 or 2 of this  
32 Act, including a reference in a regulation, order, or other law, is deemed  
33 to refer to the corresponding provision enacted by this Act.

34 (d) CONTINUING EFFECT.—An order, rule, or regulation in effect under  
35 a law replaced by section 1 or 2 of this Act continues in effect under the  
36 corresponding provision enacted by this Act until repealed, amended, or su-  
37 perseded.

38 (e) ACTIONS AND OFFENSES UNDER PRIOR LAW.—An action taken or  
39 an offense committed under a law replaced by section 1 or 2 of this Act  
40 is deemed to have been taken or committed under the corresponding provi-  
41 sion enacted by this Act.

(f) INFERENCES.—An inference of a legislative construction is not to be drawn by reason of the location in the United States Code of a provision enacted by this Act or by reason of a caption or catch line of the provision.

(g) SEVERABILITY.—If a provision enacted by this Act is held invalid, all valid provisions that are severable from the invalid provision remain in effect. If a provision enacted by this Act is held invalid in any of its applications, the provision remains valid for all valid applications that are severable from any of the invalid applications.

#### SEC. 6. REPEALS.

(a) INFERENCES OF REPEAL.—The repeal of a law by this Act may not be construed as a legislative inference that the provision was or was not in effect before its repeal.

(b) REPEALER SCHEDULE.—The laws specified in the following schedule are repealed, except for rights and duties that matured, penalties that were incurred, and proceedings that were begun before the date of enactment of this Act:
